Also Present: Dr. Peter Janney

1 BILL MITCHELL,
2 sworn as a witness,
3 testified as follows:

4 (Whereupon, Exhibits 1-9 were marked for
5 identification.)

6 EXAMINATION BY MR. JANNEY:

7 Q. Okay. So, Bill, would you like me to call you
8 Mr. Mitchell or Bill?

9 A. You can do whatever you want.

10 Q. Okay. Well, as you know, my name is Peter
11 Janney. I'm not a lawyer. I'd like to just go over
12 some ground rules with you. First, you've got to answer
13 the questions audibly, so you can't shake your head or
14 groan, grunt, whatever. We've got to know what you're
15 saying. I'm sure you're familiar with that?

16 A. No. I'm not. First time I've ever done this.

17 Q. When I ask you a question, I need to hear an
18 answer, yes or no. But you can't be shaking --

19 MR. O'KEEFE: If you're going to do
20 admonitions, I'd rather have the lawyer do the
21 admonitions.

22 Mr. Bodney, will you do the admonitions? I
23 just think that would be more appropriate.

24 MR. JANNEY: Whatever you like.

25 MR. BODNEY: Whatever you'd like.

1 MR. JANNEY: Well, go ahead.

2 MR. O'KEEFE: It's already unnatural that the
3 party to the lawsuit is taking the deposition. So we're
4 being extremely accommodating, but I don't want a
5 situation where you're telling my client what he can do.
6 I'm not going to allow that. So if you want to give the
7 admonitions, I'll let you give the admonitions. But I
8 just don't want that.

9 And I'm going to say, before we get going, that
10 obviously our purpose in coming here today, Peter, is to
11 give you an opportunity to hear from Bill. But we are
12 very clear that you've made some really inflammatory,
13 gross misstatements of law about Mr. Mitchell.

14 And so, you know, as I said to Mr. Pepper,
15 there's an easy way to do this and a hard way to do
16 this. This is the easy way to do this. This is us
17 being nice, to give you an opportunity to reconsider.
18 And I understand you had a relationship with --

19 MR. BODNEY: If I may, can we go off the record
20 and just have the understanding that this doesn't count
21 toward this four hours?

22 Let's go off the record.

23 MR. O'KEEFE: No. I'm going to finish my
24 statement, and if we get to past the four hours, we can
25 have that discussion. So let's stay on the record. I

1 just want to finish my statement. And then, if we get
2 to the four hours and I've used up an inordinate amount
3 of time, I'm not going to jam you there. But I'd be
4 surprised if it even takes four hours today, to go over
5 Mr. Mitchell's kind of limited involvement.

6 But I appreciate that you -- I know you were
7 hurt by having someone that you very much loved killed.
8 I understand that, and maybe it will be difficult for
9 you to accept the truth of Mr. Mitchell's testimony. I
10 hope that's not the case. But you're way off the scent
11 of what happened, and any objective reading of the
12 evidence is -- just doesn't support what you've written
13 in your book and what you've written about Mr. Mitchell.

14 So this is a very, very serious thing that
15 you've done, and so I'm just not going to have my client
16 have the admonitions. He's going to talk to you. He's
17 going to answer your questions truthfully. We've agreed
18 to an informal process, but if there's going to be
19 somebody telling my client what he has to do, it has to
20 be you, Mr. Bodney, or I can give him the admonitions.

21 MR. BODNEY: I think Mr. Janney was just trying
22 to be helpful, but if you'd rather not have him provide
23 the admonitions, that's fine. Let's just get started.

24 MR. O'KEEFE: Right. Thank you.

25 MR. JANNEY: I realize where you're coming

1 from. I have a different perspective than you based on
2 quite a bit of research of which I would like to go
3 through today in all fairness to Mr. Mitchell.

4 THE WITNESS: Wait a minute. Why we going to
5 do that?

6 BY MR. JANNEY:

7 Q. Because I need to know who you are.

8 A. Then you're going to ask me questions directly.

9 Q. Yes, I'm going to ask you questions.

10 A. And it says in the final settlement agreement
11 from your wrongful death that this will be
12 conversational style, you and me. So I also have some
13 questions.

14 Q. No. I'm the one taking the deposition.

15 A. No. Wait a minute. That's not conversational
16 style.

17 Q. Well, this is a deposition in which you're
18 being deposed, and so I'm attempting to elicit
19 information from you that I can --

20 A. That may be very narrow.

21 Q. Let me finish -- so that I can go back and
22 objectively verify from other sources as to what it is
23 you're telling me as to --

24 A. You hear it directly from me.

25 Q. I will hear it directly from you. But I

1 can't --

2 A. For example, for example, for example, on the
3 11th of April, last year, the 22nd of November, publicly
4 you stated and intimated that I was recruited in some
5 way by the CIA. So I tell you to your face, so we don't
6 waste a lot of time, I was never recruited by the CIA
7 when I was at Cornell or at any other time. Wait a
8 minute. Let me finish so we save you time.

9 When I lived at 1500 Arlington Boulevard, close
10 to the Pentagon where I was working, no matter how
11 many -- I don't know. I never talked to anybody and
12 knew they were CIA. Nobody. That's one point I want to
13 make. Follow me?

14 Q. I don't follow you because I'm the one --

15 A. Wait. How come you don't follow me?

16 Q. Because I'm asking you the questions.

17 A. You just heard what I said. We save time
18 because I tell you I had --

19 Q. No --

20 A. Wait a minute. Let me finish. In your book
21 and on the 22nd of November, publicly you said that I
22 made some statements that I was the fall guy who killed
23 Mary Meyer to Damore. I never met Damore. I never sent
24 him an e-mail. I never sent him a phone call or
25 anything. Follow me?

1 Q. I follow you, Bill. But we need to address my
2 questions with you now.

3 MR. O'KEEFE: So let me him ask his questions.
4 But you --

5 THE WITNESS: Those two things should simplify.
6 BY MR. JANNEY:

7 Q. Well, it won't because I have --

8 A. How come it doesn't? How come it doesn't?

9 Q. Bill, I'm not going to get into an argument
10 with you about this. Okay?

11 A. But how come you don't listen?

12 Q. I am listening. But I have questions that
13 are --

14 A. How come when I tell you that I never phoned --
15 that cuts out a lot of stuff that's there. You spent
16 all these years in research and so forth, and you have
17 published this stuff secondhand and so forth like that.
18 I'm telling you person to person, face to face, I never
19 called anybody and said that I did anyone. And I was
20 never part of it.

21 Q. Can I proceed with my questions?

22 MR. O'KEEFE: That's okay, Bill. Let him ask
23 his questions and we'll get there. We'll get there.

24 BY MR. JANNEY:

25 Q. So could we begin by you just telling us your

1 full name when you were born.

2 A. We're going to spend --

3 MR. O'KEEFE: Just answer the question.

4 THE WITNESS: Bill Mitchell.

5 BY MR. JANNEY:

6 Q. No, that -- was that your legal name when you
7 were born?

8 A. I don't know.

9 Q. Wasn't it William Lockwood Mitchell?

10 A. Yeah.

11 Q. It was, okay.

12 And when was your date of birth and what city
13 were you born in?

14 A. 25 July 1939. I was born in New York City.

15 Q. And do you have siblings in your family,
16 brothers and sisters?

17 A. Yeah. You know that -- my brother. You had
18 your private dicks phone him.

19 Q. Wait a minute. Is that your only sibling?

20 A. Yeah.

21 Q. And his name is what?

22 A. Jim.

23 Q. Jim or James is his formal name; correct?

24 A. I call him Jim.

25 Q. Okay. Now, could you tell us what your

1 father's full name was.

2 A. Victor.

3 Q. And your mother's maiden name?

4 A. Sheehan.

5 Q. How would you spell Sheehan? Is it S-H-E-H-A-N
6 or --

7 A. No, no, no. S-H-E-E-H-A-N.

8 Q. Okay. Thank you.

9 Now, did your parents stay married or divorced?

10 A. Stay where? When?

11 Q. When you were growing up, did they stay
12 married?

13 A. Yeah. What's this got to do with the -- with
14 this?

15 Q. Bill, I need to ask you a series of questions
16 in order to amass the kind of information that I need.

17 MR. O'KEEFE: So I agree, though. What does
18 that have to do? You've given the identification of the
19 family, and we're not going to get into --

20 THE WITNESS: Stay on this. Stay on the --

21 MR. O'KEEFE: I agree. That's fine. That's
22 right. So you got to stay germane. That doesn't have
23 anything to do with it.

24 BY MR. JANNEY:

25 Q. For me this is germane. So I'm going to take

1 it --

2 A. Why is it germane?

3 MR. O'KEEFE: That's okay. I'll do my job.

4 So you can ask another question.

5 BY MR. JANNEY:

6 Q. What was your father's profession while you
7 were growing up?

8 MR. O'KEEFE: And what's that? Why is that
9 relevant?

10 MR. JANNEY: Well, I don't know yet, but I
11 would like to know.

12 THE WITNESS: Well, why me?

13 MR. O'KEEFE: Then ask another question that is
14 relevant.

15 BY MR. JANNEY:

16 Q. Did your father --

17 A. Maybe he ought to ask the questions if you're
18 going to do this kind of thing.

19 MR. O'KEEFE: Bill, let's just get through
20 this.

21 BY MR. JANNEY:

22 Q. Did your father serve in the U.S. Armed Forces?

23 A. No.

24 Q. Is that a yes or no?

25 A. No.

1 Q. To the best of your knowledge, did your father
2 or anyone in your family of origin or extended family
3 have any association with intelligence operations or
4 endeavors at any time during their lives?

5 A. Like what? My father -- what do you mean
6 "intelligence operations"? What's that mean?

7 Q. OSS, FBI, anything like that?

8 A. I don't know.

9 Q. You don't know? You don't know the answer to
10 that?

11 A. I don't know. I never asked him.

12 Q. Okay. All right. Did your brother James
13 Mitchell serve in the military at any time?

14 A. No.

15 Q. What town did you grow up in?

16 A. When?

17 Q. When you were a kid, what town were you --

18 A. Give me the year. Give me the time.

19 Q. Let's say when you were five years old, six
20 years old. Up until the time --

21 A. New York City.

22 Q. New York City. Okay.

23 Did at some point you move to Chappaqua, New
24 York?

25 A. Yeah.

1 Q. And did you attend Horace Greeley High School
2 in Chappaqua?

3 A. Yeah.

4 Q. And when you registered for the draft --

5 A. I mean, what does this got to do with it?

6 MR. O'KEEFE: Let's just get through it, Bill.
7 Let's get through it. You're absolutely right. Let's
8 get through it.

9 THE WITNESS: Why are we doing it? Why isn't
10 he asking the questions?

11 MR. O'KEEFE: Let's just get through it, Bill.

12 BY MR. JANNEY:

13 Q. When you registered for the draft, Bill, with
14 your local board, in what town was the local board --

15 A. I didn't register for the draft. What are you
16 doing? You read all the records. I didn't register for
17 the draft.

18 MR. O'KEEFE: All right. So I'm agreeing with
19 Bill, though. You're getting into --

20 THE WITNESS: You know.

21 MR. O'KEEFE: No, no, no.

22 So you can ask him questions about his
23 involvement as you've written in the book, but I'm
24 agreeing with Bill. I'm not going to let you go into
25 all of his background.

1 MR. JANNEY: As far as I know, though --

2 MR. O'KEEFE: It's not relevant.

3 MR. JANNEY: -- there are no boundaries on this
4 deposition.

5 THE WITNESS: Yeah, there should be. There
6 should be a boundary.

7 MR. O'KEEFE: Well, then, we'll leave. If
8 you're going to take that approach, we're out of here.
9 Because there's boundaries on every deposition, and then
10 we'll just file our slander and libel suit against you,
11 if you want to go that route.

12 MR. JANNEY: In our settlement, there are no
13 boundaries.

14 MR. O'KEEFE: There are boundaries. It's
15 confined to the scope of what you've written, which gets
16 into --

17 MR. JANNEY: Show me where that says that in
18 the settlement agreement.

19 MR. O'KEEFE: It's in every single litigation.
20 There's a scope of relevance, and you filed a suit that
21 was as frivolous as a suit could be: A 50-year-old
22 malicious prosecution lawsuit. So it is limited to
23 anything that would relate to your malicious
24 prosecution -- or sorry. Not malicious prosecution.
25 That's what we're going to file -- your wrongful death

1 lawsuit.

2 So that's what it's limited to. So his
3 involvement in the alleged CIA conspiracy to kill
4 Ms. Meyer. That's what you can ask him about: His
5 discussion at the trial, his -- what he observed at the
6 towpath, and then you have some statements in here about
7 information that he gave that you said is contradicted.
8 You can ask him about that, but we're not going to go
9 into all this other stuff. It's extremely upsetting to
10 my client.

11 MR. JANNEY: I can see that.

12 MR. O'KEEFE: It's off point.

13 THE WITNESS: It is really off the point.

14 MR. JANNEY: It's not. Look --

15 THE WITNESS: Wait a minute. Wait a minute.

16 You know from all your research and what the private
17 dicks did that I did not register for the draft.

18 BY MR. JANNEY:

19 Q. Here's your selective service record right
20 here. Would you like --

21 A. I did not register for the draft.

22 Q. Well, when you turned 18, you had to go to your
23 draft board; correct?

24 A. Not that I remember. I took ROTC at Cornell.

25 Q. Right. I'm aware of that.

1 But here is your -- would you like to see your
2 selective service --

3 A. No. I don't want to see it.

4 Q. Okay. Because this lists you, and it
5 clearly -- you went to your draft board in Peekskill,
6 New York.

7 A. Peekskill, New York?

8 Q. Yeah. That's where this draft board was.

9 A. I never remember going to Peekskill, New York.

10 MR. O'KEEFE: That's fine. If you don't
11 remember, Bill, just say you don't remember.

12 THE WITNESS: I don't remember. I don't want
13 to see it.

14 MR. O'KEEFE: I'll look at it. I don't know
15 what this is. This is just a list. Maybe it's an
16 accurate record, maybe it isn't. I don't know. But
17 that's not something my client filled out. That's
18 someone wrote his name down on the list.

19 MR. JANNEY: Well, that's from the record from
20 the draft board.

21 MR. O'KEEFE: Maybe it is; maybe it isn't. I
22 don't know. But, anyway, it's not my client's. I mean,
23 it definitely says, "William Lockwood Mitchell."

24 THE WITNESS: I never lived in Peekskill, New
25 York.

1 BY MR. JANNEY:

2 Q. Okay. So on your selective service
3 registration card, you listed the name and address --

4 MR. O'KEEFE: You don't have a selective
5 service registration card. That's a list right there.
6 That's not a registration card that he's filled out.

7 MR. JANNEY: I'll show you a copy. Here's the
8 card. Okay?

9 MR. O'KEEFE: That doesn't even say "William
10 Mitchell" on it. I don't know whose signature that is,
11 but that's not William Mitchell. Look at that. First
12 of all, you can't read it; and, secondly, whoever's
13 signature, that doesn't say "William Mitchell." That
14 starts with a "D" and a "J."

15 MR. JANNEY: Okay. Look at the next page, the
16 very next page. You'll see at the bottom it says,
17 "Selective Service Registration System." It says, "The
18 registration -- a copy of the registration card."
19 Mr. Mitchell is listed at -- living at 29 Alden Road in
20 Chappaqua, New York. It lists his date of birth.

21 MR. O'KEEFE: Okay.

22 BY MR. JANNEY:

23 Q. Okay. Are those correct facts? That you were
24 living --

25 A. That was our home address, yeah, in Chappaqua.

1 Q. Okay. Would you agree, Mr. Mitchell, that,
2 based on the six-year obligation for military service,
3 that, then, in effect, you considered that your military
4 service commenced on or about August 1962? Would that
5 be a fair statement?

6 A. What military service?

7 MR. O'KEEFE: Why don't you ask him when did
8 you start your military service?

9 BY MR. JANNEY:

10 Q. When did you start your military service?

11 A. '63. I went from Cornell. I went to Harvard
12 as a graduate student.

13 Q. Right.

14 A. Unlike what you suggested, intimated, on the
15 11th of April and the 22nd of November.

16 Q. Right. Okay.

17 A. Then I went. Having taken ROTC when I was at
18 Cornell, I went in the service in '63.

19 Q. What year did you enter Cornell University?

20 A. '57.

21 Q. Okay. And correct me if I'm wrong, you were in
22 a five-year bachelor's of mechanical engineering program
23 there?

24 A. Yeah, that's right.

25 Q. Which would have allowed you to have graduated

1 in 1962; correct?

2 A. What do you mean "allow me to"?

3 Q. Well, you completed the five-year program in
4 '62?

5 A. Right.

6 Q. Now, in going through all the yearbooks --

7 A. What relevance? I heard you say that twice. I
8 heard -- I already heard that. I already heard that.

9 Q. Can I ask --

10 A. It doesn't matter how many times my photograph
11 might appear. So what?

12 MR. O'KEEFE: Let's just let him ask his
13 questions, Bill.

14 BY MR. JANNEY:

15 Q. Let me just ask the question, and you can give
16 me your answer.

17 In going through all the Cornellian yearbooks
18 from 1957 to 1962, there's not one picture of you in any
19 of those yearbooks, particularly your senior year --

20 A. So what?

21 Q. -- picture.

22 A. So what?

23 Q. Well, I just want to know how you explain this.

24 A. I don't explain it. I say so what? I don't
25 care.

1 Q. Well, I mean, were you given --

2 A. So what?

3 Q. Were you ever given instructions to avoid
4 having your picture taken?

5 A. By whom?

6 Q. I don't know. I'm asking you.

7 A. By whom?

8 Q. I don't know. I'm asking you.

9 A. Then how can I answer your question?

10 Q. Just answer the question "yes" or "no."

11 A. By whom? Instructions by whom?

12 MR. O'KEEFE: By anyone.

13 THE WITNESS: No.

14 MR. O'KEEFE: Did anyone ever say "Don't sit
15 for a picture in your yearbook at school"?

16 THE WITNESS: No.

17 MR. O'KEEFE: That will be easier, if you just
18 answer the question.

19 THE WITNESS: It would be easier if he keeps
20 the question having to do with the case.

21 MR. O'KEEFE: I know --

22 BY MR. JANNEY:

23 Q. Okay. Let's move on.

24 So in what year did you enroll in the Army ROTC
25 program at Cornell?

1 A. '57.

2 Q. Well, that's when you entered Cornell.

3 When did you enter the actual ROTC program?

4 A. I don't know.

5 Q. You don't know?

6 MR. O'KEEFE: So the other thing I want to make
7 a record of is these are all events that place like 60,
8 70 years ago. So obviously Mr. Mitchell is giving you
9 his best recollection.

10 And here's the problem: I know why
11 Mr. Mitchell is upset. Mr. Janney, we've come to the
12 conclusion that you're a very dishonest man when it
13 comes to evaluating facts. So you're going to take
14 something like "He said in deposition that he started in
15 '57," and then you'll go write in your book or your
16 blog, "I've got a document that said it was 1958."
17 Those are trivial differences.

18 MR. JANNEY: I agree. They are.

19 MR. O'KEEFE: They are trivial differences, but
20 that's the kind of stuff you do. So --

21 MR. JANNEY: I don't agree with that.

22 MR. O'KEEFE: That is what you do.

23 MR. JANNEY: Okay. Well, you're entitled to
24 your opinion.

25 MR. O'KEEFE: Right. But what I'm saying is

1 there has to be an appreciation that you're asking a
2 whole bunch of questions that have nothing to do with
3 what you wrote about in your book.

4 MR. JANNEY: Well, that's your opinion. I
5 understand that's your opinion. It's not mine, and I'm
6 asking the questions.

7 MR. O'KEEFE: I know it's not yours, but that's
8 what I'm saying. So my client is giving his best
9 testimony. He hasn't gone back out and researched any
10 of this stuff. He's just here, and he's not going to be
11 held to exact dates --

12 MR. BODNEY: We understand the limitations.
13 Let's just get on with it.

14 MR. O'KEEFE: Yeah. But I guarantee you that's
15 his concern, and that's my concern because I've read
16 this book, and I've seen the texture of it. And that's
17 what's going on here.

18 MR. BODNEY: Well, you've made your record.
19 Let's just proceed.

20 BY MR. JANNEY:

21 Q. So --

22 A. '57. I started ROTC when I started at Cornell.

23 Q. Under what circumstances did you enroll in the
24 Army ROTC program? What motivated you to join Army
25 ROTC?

1 A. Cornell was a land-grant institution at the
2 time. Every able male student had to take ROTC for at
3 least two years.

4 Q. Okay. And were you ever contacted or did you
5 in any way consider working for any intelligence
6 agency --

7 A. I already told you.

8 Q. Let me finish the question, Bill.

9 MR. O'KEEFE: Let him finish his question,
10 Bill.

11 BY MR. JANNEY:

12 Q. Let me start it again.

13 A. It is important that I already see you're not
14 even listening.

15 MR. O'KEEFE: Bill, let him finish his
16 question.

17 THE WITNESS: I already told you that I never
18 was at any time by anybody. That's important. So why
19 do you ask something like that?

20 BY MR. JANNEY:

21 Q. Let me continue to ask the questions.

22 A. No. Wait a minute. Wait a minute.

23 MR. O'KEEFE: Let him finish his question.

24 THE WITNESS: How come you don't take it in,
25 what I said before?

1 MR. O'KEEFE: He is. But let him finish his
2 question. Let him finish is question.

3 MR. JANNEY: Thank you.

4 MR. O'KEEFE: Because if he doesn't finish his
5 question, then it's not sure what he's going to ask. So
6 let's finish his question.

7 BY MR. JANNEY:

8 Q. Okay. Were you ever contacted or did you in
9 any way consider working for any intelligence agency or
10 intelligence apparatus as an undergraduate at Cornell?

11 A. No.

12 MR. O'KEEFE: Perfect. That will make it
13 really quick, if you just let him ask the question and
14 just tell him the answer.

15 BY MR. JANNEY:

16 Q. In what year did you complete the Army ROTC
17 program at Cornell, approximately?

18 A. It was probably '61, four years.

19 Q. Okay. '61. Okay. Great.

20 When you attended Army ROTC summer training in
21 1960 between your third and fourth years in the ROTC
22 program, where did this training take place and for how
23 long was the training?

24 A. I don't remember.

25 Q. Was it in Upstate New York? Was it --

1 A. No. I don't remember.

2 Q. You don't remember. You don't know where you
3 went for the summer training?

4 A. No.

5 Q. Do you remember what transportation you took to
6 the summer training or from where you began?

7 A. No, I don't remember.

8 Q. Do you recall how much you were paid --

9 A. No, I don't remember.

10 Q. -- for attending the Army ROTC?

11 A. No, I don't remember.

12 Q. Okay. In what year were you designated a
13 distinguished military student?

14 A. I don't remember that either.

15 Q. Okay. Well, I'm going to show you Exhibit 2,
16 and it appears that you were designated in the fall of
17 1960.

18 Okay? Do you have any reason to disagree
19 with --

20 A. No, I just listened to what he said. I don't
21 need to look at anything else. I don't know.

22 Q. Do you have any reason to disagree with this?

23 A. What? Disagree with the date that you gave me?

24 Q. Disagree with what's written on that document.

25 A. You asked me a question about when I was

1 designated as a distinguished military student.

2 Q. Right.

3 A. I said I didn't know; you said '61.

4 Q. Well, would looking at that document help
5 refresh your recollection?

6 A. No, it wouldn't.

7 Q. It wouldn't. Okay.

8 Okay. Let's turn now -- well, now, before we
9 get there, what were the terms of your Army-obligated
10 active duty military service? Was this a two-year
11 commitment or a three-year commitment?

12 A. Two.

13 Q. Two. Okay. So when did you apply to Harvard
14 University Graduate School of Arts and Sciences?

15 A. Sometime in my last two years at Cornell.

16 Q. So that would have been, what, the 61/62
17 academic year, since you graduated in '62.

18 Did you apply to any other place other than
19 Harvard?

20 A. I probably did. I don't remember.

21 Q. Did you get a deferment to postpone your Army
22 active duty service in order to attend Harvard?

23 A. Yeah, I think so.

24 Q. So when exactly and where did you begin your
25 active duty service as an officer in the United States

1 Army?

2 A. Sometime in summer or fall of '63.

3 Q. Okay. And specifically what branch of the Army
4 were you commissioned into? For instance, core
5 of engineers --

6 A. Transportation, transportation core, I think.

7 Q. And where did your initial branch training take
8 place? How long did this initial training last?

9 A. I don't remember that.

10 Q. Do you have any idea at all when you started --

11 A. I don't know how long it lasted.

12 THE REPORTER: Just a moment. If I could,
13 Mr. Mitchell, if you can please let him finish the
14 question so that I can type it down. I know we didn't
15 do the admonitions, but if you say "I don't remember" in
16 the middle of his question, it won't be clear what you
17 said you didn't remember.

18 THE WITNESS: Okay.

19 THE REPORTER: And I want everyone to have a
20 clear record of your testimony and what you are and
21 aren't answering to, if that makes sense.

22 THE WITNESS: Sure.

23 BY MR. JANNEY:

24 Q. So what was the nature of your initial
25 training? Was it classroom instruction, field training,

1 or some combination of the two?

2 A. It was all that stuff.

3 Q. Can you be specific as to what --

4 A. Yeah, sure.

5 Q. -- when you say "all that stuff"?

6 A. Inside, outside.

7 Q. And that would entail what specifically? I
8 mean, there was classroom instruction?

9 A. Sure.

10 Q. Field training?

11 A. Sure.

12 Q. Weapons training? Firing of guns?

13 A. No pistols.

14 Q. Pistols, okay.

15 A. No pistols.

16 Q. No pistols, okay.

17 A. No pistols. Only firing on a range. The only
18 time I ever fired a weapon anywhere: On the range when
19 I was in training.

20 Q. So could you please tell us where you were
21 stationed in chronological order as best you can
22 throughout the time of your active duty service. Where
23 did your training begin?

24 A. I think it was in Fort Eustis, transportation
25 core. Then I was transferred to the Pentagon.

1 Q. So you initially started out at Fort Eustis.
2 You went directly -- as soon as your active duty
3 commenced, you went directly to Fort Eustis; is that
4 right?

5 A. Yeah. Because I think that that was the
6 headquarters of transportation core.

7 Q. And what prompted you to select transportation?

8 A. I don't remember that.

9 Q. Who were your friends in the Army when you were
10 stationed at Fort Eustis? Can you give us the name of
11 one or two.

12 A. No.

13 Q. You can't?

14 A. I don't remember.

15 Q. Who was your immediate supervisor at Fort
16 Eustis?

17 A. I can't remember.

18 Q. Can you remember who you reported to?

19 A. I can't remember.

20 Q. Who was the commandant at Fort Eustis --

21 A. I can't remember.

22 Q. -- when you were there?

23 A. I can't remember.

24 Q. While you were at Cornell, did you meet and
25 have friendships, to one degree or another, with someone

1 by the name of Frank Voelker?

2 A. Yeah, I knew Frank.

3 Q. Okay. John Foster?

4 A. A little bit. He was more a friend of my
5 brother's.

6 Q. Don Trice?

7 A. Also a friend of my brother's. I knew him.

8 Q. Carmine Liotta?

9 A. Yeah.

10 Q. Mr. Liotta was your roommate for one year at
11 Cornell for one year, wasn't he? At least one year?

12 A. Not that I remember.

13 Q. Now, I want to tell you that we interviewed
14 each of these people during 2013, and each of them told
15 us separately that they remembered an incident where you
16 had some kind of an open conflict in a classroom with
17 one of the instructors before ending up at Fort Eustis.

18 Do you remember this incident?

19 A. No.

20 Q. You have no recollection at all?

21 A. No.

22 Q. On January 9th of 2013, we interviewed Carmine
23 Liotta, who's an attorney in New Jersey. He's got an AV
24 rating from Martindale-Hubbell.

25 And then Mr. Liotta also confirmed this

1 incident, and then he told us you went into
2 intelligence.

3 A. Into intelligence?

4 Q. Yeah.

5 A. You mean intelligence core?

6 Q. He didn't get specific. He wasn't sure whether
7 it was military intelligence or civilian intelligence.

8 A. No. Never. I never went into any kind of
9 intelligence.

10 Q. So you have no recollection of this incident
11 that took place before you arrived at Fort Eustis?

12 A. Before I arrived at Fort Eustis?

13 MR. O'KEEFE: Can you be more specific.

14 BY MR. JANNEY:

15 Q. The story they told was that you were in a
16 classroom one day in your --

17 A. A classroom where?

18 Q. Well, I don't know exactly.

19 MR. O'KEEFE: Listen to the story.

20 BY MR. JANNEY:

21 Q. This is before you went to Fort Eustis, that
22 you were in a classroom --

23 A. So I was at Harvard?

24 Q. No. This was after your active duty service
25 commenced. You were in a classroom, and you got --

1 A. Wait a minute. I commenced my military
2 training at Fort Eustis.

3 Q. Well, they have a different recollection.
4 That's all I'm saying.

5 MR. O'KEEFE: Then how would they know? How
6 would they have any basis to observe what he did in that
7 classroom at his military service? That's what I'm
8 getting at. Now you're asking him incredibly confused
9 questions, and you're also asking questions that seem
10 incredibly misleading and very -- the way you use
11 information is extremely dangerous, and you're doing it
12 right now because --

13 MR. BODNEY: Let him ask his question.

14 MR. O'KEEFE: No. I need to clarify the
15 record. His question is exactly right. Because you
16 first started -- you can go back and read it. You first
17 started saying there was an incident at a classroom in
18 Cornell.

19 MR. JANNEY: No.

20 MR. O'KEEFE: And now -- no. You look at the
21 record. That's what you said.

22 MR. JANNEY: Well, I made a mistake, then.

23 MR. O'KEEFE: Exactly. And now you're saying
24 that it was some incident that happened after his active
25 duty with a bunch of people you've identified were

1 friends of his at Cornell who have no basis for
2 observing something that may have happened in a
3 classroom at active duty. So you are doing something
4 that is incredibly inappropriate in terms of --

5 MR. JANNEY: Actually, that's not the case.
6 Two of these people witnessed this incident.

7 MR. O'KEEFE: Where? Where was it?

8 MR. JANNEY: It was after Mr. Mitchell's active
9 duty commenced, wherever he was stationed. But this was
10 before he was transferred to Fort Eustis.

11 MR. O'KEEFE: So you're saying they witnessed
12 it in a military classroom?

13 MR. JANNEY: Yes.

14 MR. O'KEEFE: And who were the two people?

15 MR. BODNEY: In fairness to the agreed-upon
16 exercise, why don't we just let him ask the question?

17 MR. O'KEEFE: No. Because he can't answer the
18 question until we can place in location --

19 MR. BODNEY: Well, you've made the objection,
20 and he can ask a different question.

21 MR. O'KEEFE: But who were the two people that
22 witnessed it?

23 MR. JANNEY: I believe it was Frank Voelker and
24 Carmine Liotta.

25 MR. O'KEEFE: And so did you serve in the

1 military with Frank and Carmine?

2 THE WITNESS: No.

3 MR. O'KEEFE: Right. So how would they have
4 any basis to witness something that happened in the
5 military?

6 MR. JANNEY: I don't think they pulled this out
7 of thin air. They all separately reported this incident
8 to us. Okay? This was not a conference call. This was
9 a separate interview.

10 MR. O'KEEFE: What I would like as a courtesy
11 is I would like their phone numbers, when we take a
12 break, because I want to talk to these people too later.

13 MR. BODNEY: Let's get to the questions.

14 MR. O'KEEFE: If you want to ask a question
15 about the story, you can tell us the story, and I'll
16 determine whether I'm going to allow him to answer based
17 on whether you can accurately set a foundation for an
18 answer that would be meaningful. But right now you'll
19 go back and you'll read that record, and you will see
20 that you originally set this up as an incident in a
21 classroom in Cornell.

22 MR. JANNEY: Well, I made a mistaken, then, if
23 I did; and I'm willing to take responsibility for that.

24 THE WITNESS: Where is the classroom?

25 BY MR. JANNEY:

1 Q. I don't know. This was before you got to Fort
2 Eustis, but it was a military classroom.

3 A. No, can't be.

4 MR. O'KEEFE: Did you ask them where the
5 classroom was?

6 MR. JANNEY: I can't remember.

7 MR. O'KEEFE: That wasn't important to you to
8 ask?

9 MR. BODNEY: Let's just ask questions and move
10 on.

11 BY MR. JANNEY:

12 Q. Okay. All right. Mr. Mitchell, have you ever
13 signed a nondisclosure confidentiality agreement of any
14 kind before, during, or after your military service?

15 A. Disclosure of what?

16 MR. O'KEEFE: I will allow you to answer the
17 question have you ever signed a nondisclosure agreement
18 with the military or confidentiality agreement with the
19 military.

20 THE WITNESS: Is that what you're asking?

21 BY MR. JANNEY:

22 Q. That's part of the question, yes.

23 A. What do you mean "part" of the question?

24 Q. Well, why don't we start with you responding to
25 that question.

1 A. What?

2 Q. Have you ever signed a nondisclosure
3 confidentiality agreement of any kind before, during, or
4 after your military service?

5 A. I don't remember.

6 Q. You don't remember. Okay.

7 When exactly did you begin to work at the
8 Pentagon?

9 A. I arrived in Washington the day of Kennedy's
10 procession or his funeral. That's all I remember.
11 So --

12 Q. So that would be November 25th, 1963?

13 A. Something like that, yeah.

14 Q. So how long did you spend at Fort Eustis? If
15 you weren't commissioned on active -- if you were not
16 commissioned on active duty until the summer of 1963 and
17 you said you went to Fort Eustis, how long did you spend
18 at Fort Eustis?

19 A. I went to Fort Eustis immediately upon entering
20 the service. So that was something like end of summer,
21 beginning of the fall.

22 Q. '63?

23 A. And just a couple of months, at least. And I
24 got a call one day, transferred to the Pentagon, and I
25 arrived the day of the procession of Kennedy. So I can

1 remember the horse with the inverted boots riding.

2 Q. Okay. I'm going to show you now Exhibit 3,
3 which is a -- from the department of defense telephone
4 directory. On page 2 of that exhibit, I bracketed off
5 what I believe to be your office number and extension
6 number.

7 A. Yeah, I looked at this.

8 MR. O'KEEFE: So here's -- you can tell me if
9 you recognize this or not. He'll ask you a question.

10 BY MR. JANNEY:

11 Q. Is that correct?

12 A. Correct.

13 Q. So that would mean that you were in the
14 office --

15 MR. O'KEEFE: Hold on a second. Bill, what I
16 do want -- if you have a specific recollection, like
17 this is your phone number at that time, you can say
18 "that's correct" but --

19 THE WITNESS: Oh, no. I don't know about the
20 phone number, but that's what I've seen. I don't
21 remember the phone. I don't remember the name or the
22 number of the office.

23 MR. O'KEEFE: So I just want you to be precise.
24 So this looks like an accurate document to you where
25 your name would have been listed as someone working at

1 the Department of Defense, but you're not saying, yes, I
2 remember that phone number?

3 THE WITNESS: Yeah. Nor the actual room
4 number.

5 BY MR. JANNEY:

6 Q. Okay. So could you look at page 2 for me and
7 just see the caption of your entry and see that the
8 office number appears to be BE1035; is that correct?

9 A. Yeah.

10 Q. Do you remember serving in that office, being
11 in that office?

12 A. I don't remember that number.

13 Q. You don't. Okay.

14 But it is in the directory, is it not?

15 A. Yeah.

16 Q. As your listing?

17 A. Yeah.

18 Q. Okay. Do you remember what the name of the
19 section that you worked in was?

20 A. I think it was called U.S. DATCOM.

21 Q. And do you remember the name of the office that
22 you were in?

23 A. The name of the office? What do you mean "the
24 name of the office"?

25 Q. Well, each office has a name. For instance, it

1 appears that you were in the U.S. Army Data Support
2 Command Section; is that correct?

3 A. We call it U.S. DATCOM.

4 Q. And you were in the Departmental Systems
5 Division. I'm going to show you --

6 A. I don't remember the name of the division or
7 anything. I don't remember.

8 Q. Do you remember who your commanding officer was
9 in that office, who you served under?

10 A. Just a minute.

11 MR. O'KEEFE: Do you want to go outside to talk
12 for a second?

13 THE WITNESS: Yeah.

14 MR. JANNEY: Why don't we take a break for ten
15 minutes. Would that be okay?

16 THE WITNESS: It will only take a second.

17 MR. O'KEEFE: Unless he wants to take a break.
18 That's fine.

19 THE WITNESS: So we can keep going. Just a
20 second.

21 (Whereupon a discussion was held off the record
22 from 11:00 A.M. to 11:00 A.M.)

23 THE WITNESS: Yeah, I do remember the name of
24 my immediate commanding officer, Major Miller.

25 BY MR. JANNEY:

1 Q. Major Miller. I'm going to show you another
2 document from the Pentagon phone book, and the office
3 that you were serving in, BE1035, the commanding officer
4 is Ralph Heller Cruikshank.

5 A. I don't remember Cruikshank.

6 Q. Do you remember the name?

7 A. No.

8 Q. You never had any --

9 A. I can't remember.

10 Q. Uh-huh.

11 A. Because he wasn't my immediate commanding
12 officer.

13 Q. Who was?

14 A. Major Miller.

15 Q. Major Miller. What was Major Miller's first
16 name?

17 A. Leon.

18 Q. Major Leon Miller. Okay.

19 MR. O'KEEFE: And Cruikshank is a lieutenant
20 colonel.

21 MR. JANNEY: Correct.

22 MR. O'KEEFE: Or at least that's what's listed
23 here.

24 MR. JANNEY: That's correct.

25 BY MR. JANNEY:

1 Q. So Cruikshank was the head of the division that
2 you worked in.

3 Were you ever aware of Cruikshank's -- any
4 previous assignments?

5 A. No.

6 Q. Were you aware -- obviously you weren't -- but
7 that Lieutenant Colonel Cruikshank had a number of
8 classified intelligence assignments?

9 A. I don't know. I don't know.

10 Q. Specifically what projects did you work on in
11 this office?

12 A. We built a computerized data system.

13 Q. Okay. For the function of what?

14 A. Storing data.

15 Q. When was your active duty service in the Army
16 completed, and what was the date of your discharge from
17 active duty?

18 A. I don't remember the actual date. But I think
19 it was in July of '65, just before I testified at the
20 trial.

21 Q. And at what location were you discharged from?

22 A. Right at the Pentagon.

23 I want to ask something.

24 Q. Do you want to take a break?

25 A. Just one second.

1 MR. JANNEY: Let's go off the record.

2 (Whereupon a discussion was held off the record
3 from 11:02 A.M. to 11:03 A.M.)

4 THE WITNESS: At the time I was discharged, I
5 was given the Army Commendation Letter, and I can show
6 you from military records a copy of that, which I'm
7 surprised, for all your research and all your private
8 dicks, that you never found.

9 BY MR. JANNEY:

10 Q. Well, yeah, if you brought that with you, I
11 would love to see it.

12 A. From the military. For a long time I had the
13 actual document but, you know, 50 years later.

14 Q. Okay.

15 A. There are two pages in this. I will give you
16 the Web site. You can write this down, if you want to
17 go look at it.

18 MR. O'KEEFE: Over the break they can make a
19 photocopy of that too.

20 BY MR. JANNEY:

21 Q. I'd like to enter this as an exhibit. Can we
22 keep this and have it --

23 A. Oh, no. You can't keep it.

24 Q. Can we make a photocopy?

25 A. Right here, yeah. Here's the first page.

1 Q. Okay. So this is a three-page --

2 A. No. It's more. There are other pages, other
3 things, Legion of Merit, other kinds of awards. But the
4 important things are the first page there. That's
5 published by the Army every year. You can take a look
6 at the citation there on the page.

7 Q. Okay. So just help me understand something.
8 The first time that your name shows up in the Department
9 of Defense telephone directory is September of 1964; but
10 you said earlier, did you not, that you started working
11 in the Pentagon in the fall of 1963?

12 MR. O'KEEFE: Okay. So first of all, there's
13 been no established, like, fact that the first time his
14 name showed up in the directory was such and such date.
15 You've provided us a copy of a directory from fall of
16 1964. Maybe there's other directories that exist. We
17 don't know.

18 THE WITNESS: It also could be that I arrived,
19 as I said, though -- as you say 25 November '63,
20 November, December, start of '64. Those directories
21 aren't published every single day.

22 BY MR. JANNEY:

23 Q. Oh, no. They're published quarterly.

24 A. Okay.

25 Q. So if you arrived in November of '63, the first

1 instance would have been the first quarter of 1964. But
2 from our research, just for the record, we couldn't find
3 anything before September of 1964.

4 A. I don't know.

5 Q. Okay. Well, let's move on.

6 So, Bill, from your point of view, why is it
7 that the National Personnel Records Center in St. Louis
8 has no record?

9 A. I don't know. I don't have any control.

10 Q. Have you ever tried to get your own military
11 record?

12 A. I submitted a request after I heard that, from
13 Whalen and others I heard that. Couldn't find it. I
14 used William L. Mitchell, and I used my old social
15 security number.

16 Q. Is that the one that --

17 A. Sorry. I used my new social security number,
18 and they said they couldn't find the record.

19 Q. So do you have a new social security number for
20 "Bill Mitchell" that's different from the one that you
21 had from "William Lockwood Mitchell"?

22 A. I changed my name, you know, "William" and
23 "Bill." I didn't change my name. I said, "I'm always
24 called Bill." I wanted to have all my records in all
25 the same -- together, Bill. When I did that, it's my

1 understanding the Social Security Administration told me
2 I had to change my social security number. I did that.

3 Q. Okay.

4 A. So when I submitted my request last spring, I
5 guess I used my current social security number and my
6 old William L. Mitchell, Lieutenant William L. Mitchell.
7 They said, no, they couldn't find my records.

8 Q. Do you happen to remember your military service
9 number?

10 A. No, I don't. I don't, and I didn't remember my
11 old social security number at the time.

12 Q. The issue for me, Bill, is that I don't
13 understand why the Office of Veteran Affairs has no
14 listing for you, nor do any of the Army registers --

15 A. I can't help you with that.

16 Q. Let me finish the question -- that we
17 researched from 1962 to 1967. That's why I'm curious to
18 know why your record never comes back despite submitting
19 a request for it with your old social security number.
20 That would have been the social security number that you
21 were using at the time that you entered military
22 service.

23 A. That's correct.

24 Q. Still didn't come back.

25 A. I don't know the answer to that.

1 Q. Okay. Do you have what's called a DD214?

2 A. No. I probably did at the time. When I got
3 out, I got a copy of the Army Commendation Medal and DD
4 form 214, but I didn't keep it.

5 Q. You didn't keep it?

6 A. That probably I got rid of first, and I kept
7 the Army Commendation Medal paper longer but not really.

8 Q. Okay. So let's turn to a different topic here.
9 I'm curious to know that, while you were working at the
10 Pentagon, what amount of time were you usually allotted
11 for lunchtime in your job at the Pentagon?

12 A. I don't remember that.

13 Q. Well, I mean, could you take two-hour lunches?
14 Three-hour lunches?

15 A. I don't remember that.

16 Q. Well, surely you have some recollection?

17 A. I don't remember that.

18 Q. Was it always lunchtime at the same day that
19 you took your runs?

20 A. I always jogged at the lunchtime.

21 Q. You did. And were you ever given any
22 instructions, when in your job duties, as to how much
23 time you could take off for lunch?

24 A. No.

25 Q. You weren't?

1 A. Not that I remember.

2 Q. So, I mean, if you wanted to, you could take
3 off the whole afternoon and there wouldn't be any
4 repercussions?

5 A. I don't remember.

6 Q. Well, I'm just curious if you can answer the
7 question.

8 A. I don't remember.

9 Q. You don't remember what?

10 A. That anyone told me that I could or could not
11 take off so much time.

12 Q. How long, typically, did you go for a run at
13 lunchtime given the --

14 A. You mean how much time was I actually on the
15 trail?

16 Q. Yeah. I mean, for instance, if you left at
17 12:30, what time would you typically return?

18 A. I don't remember.

19 Q. If it was your habit to run around lunchtime
20 from your place of work at the Pentagon, why did you
21 chose to run on the towpath in Georgetown when there
22 were places to run immediately adjacent to the Pentagon
23 which would have allowed you much more running time?

24 A. I don't know. There's a nice setting there on
25 the towpath.

1 Q. But, I mean, isn't there a nice setting along
2 the Potomac River adjacent to the Pentagon as well?
3 Wouldn't that have afforded you --

4 A. You mean at that time?

5 Q. Yeah.

6 A. I don't know.

7 Q. You don't know or you don't remember?

8 A. I don't remember.

9 Q. I'm just curious why you would want to waste
10 valuable lunchtime break in driving to and from the Hot
11 Shoppe's parking lot in Rosslyn from the Pentagon.

12 A. What do you mean "waste"?

13 Q. Well, you figure how long did it take you,
14 typically, to drive from the Pentagon to drive to the
15 Hot Shoppe's?

16 A. I don't remember.

17 Q. Well, since I grew up in Washington, I have
18 some idea of the distance. And it's -- you know, in
19 normal traffic during that era, it had to be about 15
20 minutes to get from the Pentagon to the Hot Shoppe's
21 parking lot and then 15 minutes when you entered.
22 That's chewing up 30 minutes right there.

23 A. So?

24 Q. Well, I'm just curious as to why --

25 A. I mean, I still jog pretty much daily, places I

1 take my car and I drive to. I could always -- following
2 that logic, I could always just go right out the door
3 and run.

4 Q. You could and that's my question --

5 A. Yeah.

6 Q. -- why you didn't?

7 A. I drive to drive somewhere else to run.

8 Q. How frequently did you run on the towpath?

9 A. Pretty regularly. I don't know the actual
10 number of days but pretty frequently.

11 Q. How did you come to learn about the towpath?

12 A. I don't remember that.

13 Q. You don't remember who told you, how you --

14 A. I don't remember that.

15 Q. Did you run at other locations other than the
16 towpath?

17 A. You mean at lunchtime?

18 Q. Yeah.

19 A. That I don't remember either.

20 Q. How soon, after your arrival in Washington, did
21 you start running on the towpath?

22 A. I don't remember that.

23 Q. Do you typically always run the same route when
24 you go running?

25 A. You talking about now or then?

1 Q. Then.

2 A. Then?

3 Q. Yeah.

4 A. On the towpath?

5 Q. Any place you were running during that era when
6 you were in the Pentagon.

7 A. Well, I can only speak for the towpath. I
8 think I ran from across the bridge and then the start of
9 that where you come down onto the towpath down toward
10 Fletcher's something.

11 Q. Boathouse?

12 A. Yeah. I don't know if every day I went all the
13 way to Fletcher's boathouse. I don't know that. I
14 don't remember that. But that was generally the route:
15 From the beginning there where you come across the
16 bridge onto the towpath down toward Fletcher's
17 Boathouse.

18 Q. Right.

19 A. But I wouldn't say that every single time I ran
20 I ran all the way to Fletcher's Boathouse and back.

21 Q. Have you ever been involved, during your
22 military service, in any surveillance operation during
23 your military career?

24 A. No.

25 Q. You had no training in surveillance whatsoever?

1 A. I don't remember any training in surveillance,
2 even when I entered in Fort Eustis.

3 Q. Were you ever part of any surveillance
4 operation with regard to Mary Pinchot Meyer?

5 A. I told you no -- and this I want to really
6 stress -- by any group, CIA or any other group.

7 Q. So tell me, Bill, what exactly prompted you to
8 go to the police the following day?

9 A. The day after I saw in the paper a picture of a
10 woman whose face I recognized, saying, "Hey, I passed
11 very close to this woman yesterday when I was running."

12 Q. How did you recognize her face?

13 A. The picture in the paper.

14 Q. Okay. Because she was wearing sunglasses when
15 she was walking.

16 A. Past -- and I had almost, as I remember
17 rereading my transcript, I think I -- at the point of
18 some kind of, like, a little bridge kind of thing, I had
19 to just about come to a complete stop, and we passed
20 shoulder to shoulder. So I saw her face, and I
21 recognized her. I had never seen, heard of Mary Meyer
22 before or something like that, nor read about her any
23 time after until I read parts of your book, 2012. So
24 that's the way I decided, kind of civic duty, on active
25 duty, I go to the police and said, "Yeah, I saw that

1 woman."

2 Q. Did you call the police before you went down to
3 talk to them?

4 A. That I don't -- no. That I don't remember.
5 That I don't remember.

6 Q. Or did you just decide to show up?

7 A. That I don't remember.

8 Q. Do you remember what station you went to?

9 A. No.

10 MR. O'KEEFE: I need to take this call.

11 MR. JANNEY: Let's take a break.

12 (Whereupon a recess was taken from 11:16 A.M.
13 to 11:23 A.M.)

14 BY MR. JANNEY:

15 Q. So when you went to the police station on
16 October 13th, the day after the murder, do you remember
17 who you talked with?

18 A. No. I'd have to look at the records. I don't
19 remember.

20 Q. Does the name Captain George Donahue ring any
21 bell?

22 A. Only reading the documents. In the fall I
23 tried to get ahold of my affidavit when I said at that
24 time, when I went in there, through Whalen.

25 Q. I'm sorry. Through this past fall?

1 A. Yeah, this past fall. Career FBI guy was
2 talking with Whalen, and Whalen told us that that
3 doesn't exist anymore. The whole records from that
4 trial were destroyed as if the criminal case was a
5 solved case in 1990. So --

6 Q. Well, that has to do with their records
7 Retention Act, which states, I believe, after so many
8 years --

9 A. Yeah, yeah, 25 years.

10 Q. Right. They can destroy the record.

11 A. Right.

12 MR. O'KEEFE: And just so it's clear, and you
13 can reiterate this, I asked him the question you asked
14 because he'll say, "I went and looked for stuff."

15 I asked him, "When did you start looking? Did
16 you ever try to look for stuff before you saw, you know,
17 Mr. Janney came to your house?"

18 And Bill was like, "No. I never even thought
19 about this." So any time he's telling you he did an
20 investigation -- and if want you can correct me if I'm
21 wrong or you can say it yourself -- it's all been since
22 you came to his house and then he saw your book. And so
23 that's the time frame. This is what inspired him to
24 look into this stuff.

25 BY MR. JANNEY:

1 Q. So, Bill, was this the first time you saw the
2 book, when I came to your house in August of 2012?

3 A. Yeah, yeah. First time I ever heard about it.

4 Q. First time you ever heard about it?

5 A. While we're talking about coming to my house,
6 I'd like to ask you something: When you came to my
7 house, did you have a recording?

8 Q. I'm not going to answer any questions because
9 I'm asking the questions and you're answering.

10 MR. O'KEEFE: We know you had it because you
11 already said it publicly, and that's a felony in
12 California -- you're aware of that -- to secretly record
13 somebody.

14 MR. JANNEY: I'm not going to comment on that.

15 THE WITNESS: How about that? How about that?

16 MR. O'KEEFE: That's all right. We got it on
17 videotape, but that's the type of stuff that's just --
18 that's a crime, Mr. Janney, to secretly record somebody.

19 THE WITNESS: And playing it twice:
20 April 11th, 22 November.

21 BY MR. JANNEY:

22 Q. Can we continue?

23 A. But what about that?

24 MR. O'KEEFE: We'll get to that later. Our
25 point here, Mr. Janney, in coming here is, like I said,

1 to let you listen to Mr. Mitchell tell you what really
2 happened and to have you go back to your publisher and
3 recant the statements. And maybe we're not there at
4 that point, but that will be another point of
5 discussion: that you committed a crime in secretly
6 recording my client.

7 MR. JANNEY: You can proceed in any way you
8 want, Mr. O'Keefe. Okay?

9 MR. O'KEEFE: Right. We will. But like I
10 said, we're trying to do it the easy way here with you,
11 not the hard way. But there is a hard way.

12 MR. JANNEY: We're not making a lot of progress
13 because Mr. Mitchell has a very selective memory.

14 MR. O'KEEFE: It's not selective. It's 50
15 years ago, and if you're not going to accept his
16 testimony when he says, "I don't remember," it's a
17 problem.

18 MR. JANNEY: It is a problem, but let's proceed
19 and see if we can't get this. Okay?

20 MR. O'KEEFE: That's right. But it is a
21 problem, and you're going to need to kind of rethink
22 about the process. And when someone is testifying under
23 oath to tell the truth, unless you have some real reason
24 to believe that they're not telling you the truth and
25 you don't have it here, then you should be accepting

1 their testimony as true. I've done this for --

2 MR. JANNEY: Look, you're entitled to your
3 opinion.

4 MR. O'KEEFE: I've done this for a lifetime.

5 MR. JANNEY: I know you have, and you're
6 entitled to your opinion --

7 MR. O'KEEFE: And this is the first time you've
8 done this.

9 MR. JANNEY: -- and I'm entitled to mine, and
10 I'm asking the questions here.

11 MR. O'KEEFE: I'm an expert at this stuff --
12 you're not -- at taking depositions.

13 MR. JANNEY: Fine. You can believe whatever
14 you want to believe. Can we continue?

15 MR. O'KEEFE: Yeah.

16 MR. JANNEY: Okay.

17 BY MR. JANNEY:

18 Q. So you don't remember any other policeman that
19 you talked to other than possibly Homicide Squad Captain
20 Donahue; is that correct?

21 A. On the 13th?

22 Q. On the 13th.

23 A. No. I don't know how many people were there.

24 Q. Okay. But from your point of view, you only
25 remember sitting down with someone, and they took your

1 affidavit on that day?

2 A. I don't remember sitting down with one person
3 or maybe more than. You know, maybe there was a
4 recorder or something. I don't know. I don't remember.

5 Q. How many people did you sit down with?

6 A. I don't remember.

7 Q. Would you agree that you did talk to at least
8 one person?

9 A. I gave -- I told him what I saw.

10 Q. You told one person what you saw?

11 A. I said I don't remember how many people were
12 there.

13 Q. Well, there was at least one; right? Were
14 there more than one?

15 A. Yeah, there was at least one.

16 Q. There was at least one. Okay.

17 So let's go to your trial testimony. Here's a
18 copy of it, and that is Exhibit 6.

19 When did you first meet with Chief Prosecutor
20 Alfred Hantmann in preparation?

21 A. I don't remember.

22 Q. How many times did you meet with him --

23 A. I don't remember.

24 MR. O'KEEFE: Let him finish his question,
25 especially in consideration for the whole purpose.

1 THE WITNESS: Sorry.

2 \\\

3 BY MR. JANNEY:

4 Q. How many times did you meet with him?

5 A. I don't remember.

6 Q. Other than your testimony on July 26th, at any
7 time did you meet or talk with Attorney Hantmann after
8 the trial began?

9 A. After the trial began?

10 Q. Yeah.

11 A. No. I don't remember.

12 Q. Did you rehearse the questions at any of those
13 meetings with Prosecutor Hantmann?

14 A. I don't remember.

15 Q. Well, I mean, obviously he's not going to call
16 you in to testify and not having met with you before.

17 So wouldn't you agree that you at least --

18 MR. O'KEEFE: Okay, first of all, I object to
19 that because that lacks foundation, calls for
20 speculation. And then that's just a leading and
21 misleading preface to a statement, and my client is not
22 going to adopt, obviously, what the district attorney or
23 prosecutor would or wouldn't have done and whether he
24 would have called a witness without meeting with him
25 before. So if you just ask a question without a preface

1 like that, that would be better.

2 \\\

3 BY MR. JANNEY:

4 Q. Do you remember at any time rehearsing the
5 questions or your answers with Prosecutor Hantmann
6 before you testified --

7 A. No.

8 Q. -- on July 26th? You don't. Okay.

9 After the arrest of the Defendant, Ray Crump,
10 Jr., do you remember receiving any message or phone call
11 from Defense Attorney Dovey Roundtree asking you to meet
12 with her?

13 A. No.

14 Q. During your testimony at the trial, did you
15 view the Defendant Ray Crumb at the trial?

16 A. I don't know if -- I don't actually remember.
17 I'd have to look at my testimony and see if they asked
18 me to -- is this the person that you saw.

19 Q. Okay. So why don't we take a couple of minutes
20 and you review your testimony.

21 A. Wait a minute. Let me look at my --

22 MR. O'KEEFE: That's it.

23 THE WITNESS: I don't see that they asked me if
24 somebody in there was Crumb.

25 BY MR. JANNEY:

1 Q. Well, do you concur that Crumb was at the
2 trial, the defendant? Do you remember seeing the
3 defendant at the trial?

4 A. I don't remember.

5 MR. O'KEEFE: Do you remember, as you sit here
6 today, actually that Mr. Crumb, the defendant, was
7 present? Not whether they asked you, but do you
8 remember whether he was in the courtroom when you were
9 testifying?

10 THE WITNESS: I don't remember.

11 MR. O'KEEFE: Okay. So you don't recall, as
12 you sit here today. You don't know if he was there or
13 not while you testified?

14 THE WITNESS: I don't know.

15 MR. O'KEEFE: Okay. Fair enough.

16 BY MR. JANNEY:

17 Q. So, Bill, explain to me the exact route from
18 where you parked your car at the Hot Shoppe's parking
19 lot on the Virginia side of Key Bridge that you took to
20 gain access to the canal towpath.

21 A. I can't remember that either. The way I
22 crossed the bridge, I don't remember.

23 MR. O'KEEFE: Briefly, Mr. Janney keeps saying
24 you parked in the Hot Shoppe's parking lot. You haven't
25 said that, but do you agree with that? That that's --

1 THE WITNESS: Yeah, I think that -- only
2 reading it sort of here maybe 50 years later.

3 MR. O'KEEFE: Fair enough. I just wanted to
4 make sure that that was a fact coming from you.

5 THE WITNESS: I don't remember the route. All
6 I remember is coming from across the bridge.

7 BY MR. JANNEY:

8 Q. Okay. Well, on page 658 of your transcript,
9 you say you saw the couple on the road leading down to
10 the canal near Key Bridge.

11 What is that road? Do you remember?

12 A. No.

13 Q. Do you remember seeing the couple, as you said
14 here --

15 A. I said only reading here that, if I said that,
16 that's what I testified.

17 Q. Did you ever speak to the couple?

18 A. No.

19 Q. Or the person you identify as the young college
20 runner?

21 A. I didn't speak to anybody that I saw and
22 reported that I had seen.

23 Q. Did you ever see or speak to any of these
24 individuals at any other time?

25 A. No.

1 Q. The young couple or the Bermuda shorts runner?

2 A. No. I never saw anybody that I passed there
3 before or after, and I never went back through that on
4 that day. I crossed the bridge down onto the canal;
5 passed the couple coming down onto the towpath; passed a
6 guy running down toward the boathouse, turned around,
7 passed him coming back; passed the other couple; passed
8 a woman, whom I later recognized as I described earlier
9 here; and then I passed somebody else, a man, following.

10 And I go back to my car and -- let me finish --
11 and I never went back to that towpath that day with a
12 gun, without a gun, anything. I didn't -- wait a
13 minute. Let me finish -- and I didn't gun her down, and
14 I wasn't part of any reconnaissance group, and I was not
15 a part of any assassination group. That's all. Under
16 oath, that day, those are the important facts, those
17 people that I said that I saw.

18 The times that I'm asked later by Roundtree are
19 I say, if you look at the words, "about." I said I
20 never run -- I still don't to the day -- I don't run
21 with a watch, and I didn't run with a watch on. And I
22 estimated from a clock in the Pentagon locker rooms when
23 I got back about the times. Those are the facts, those
24 kind of things. Okay?

25 Q. Let's proceed with the next question now.

1 So when you ran by this man, this
2 African-American man who you said was 600 -- 200 yards
3 behind her following her --

4 A. That distance.

5 Q. Let me finish the question.

6 When you ran --

7 MR. O'KEEFE: So hold on. I want to object
8 because I read this in your book, and he does not say
9 this man was "following her." What he said is, "I
10 saw -- I estimate 200 yards later. I describe this
11 other man who was walking west in the same direction."

12 So, again, that's the type of stuff that is so
13 troubling to me, where you're taking generic facts and
14 then characterizing them in a way which, first of all,
15 is dishonest in terms of what Mr. Mitchell actually
16 testified to; and, secondly, is trying to create a point
17 that doesn't exist. So he never said that --

18 MR. JANNEY: Could you possibly turn your cell
19 phone off so we could not be continually interrupted?

20 MR. O'KEEFE: Yeah, I'll turn it down, but I
21 need to wait for another call. But, yeah, I'll turn it
22 down.

23 MR. BODNEY: I think he's made his objection.
24 You can ask your question.

25 BY MR. JANNEY:

1 Q. So you said, according to your court
2 transcript, you ran by the African-American gentleman
3 who was walking in the same direction as Mary Meyer --
4 correct? -- and that he was about approximately
5 200 yards or 600 feet behind her?

6 A. Approximately, about. That's a guess.

7 Q. And can you remember any distinguishing
8 characteristics about this woman?

9 A. No, no, no. And the dress that I reported I
10 only can remember by reading here, reading in the
11 transcript 50 years later. I reported about how far
12 behind this guy was walking behind. I said he was an
13 African-American male. I think I was asked by -- I
14 don't know by Hantmann or Roundtree. I'm not sure I
15 remember whom -- whether I might be able to identify
16 him, pick him out. I said, "No."

17 Q. Okay. So at the time of your testimony at the
18 trial, which would have been July 26th, 1965, you've
19 already said that it was your recollection that you were
20 already out of active duty service -- right? -- in the
21 Army?

22 A. The day that I testified?

23 Q. Yeah.

24 A. Yeah.

25 Q. Yes?

1 A. Yeah.

2 Q. Where were you working at that time?

3 A. I wasn't.

4 Q. You weren't working at all.

5 Do you remember talking to a reporter at the
6 trial by the name of Roberta Hornig?

7 A. No.

8 Q. Did you ever have any association, in terms of
9 teaching or being an instructor, at Georgetown
10 University?

11 A. Absolutely not.

12 Q. Okay. I want to show you Exhibit 7 where
13 Ms. Hornig writes --

14 A. Yeah, I read that. The first paragraph, that's
15 not true.

16 MR. O'KEEFE: And that's another point because
17 you write in your book that he testified at trial that
18 he worked at Georgetown, which is not accurate. He
19 never testified to that.

20 MR. JANNEY: I don't think I did.

21 MR. O'KEEFE: I'll pull it out. I read it this
22 morning.

23 BY MR. JANNEY:

24 Q. Okay. I think what I said was, according to an
25 interview that he possibly gave Ms. Hornig, she reported

1 that he was an instructor of mathematics at Georgetown
2 University. I don't think she could have pulled that
3 out of thin air. I think she had to have talked to you,
4 Bill, in order to get that.

5 A. Well, that's one. I could suggest some other
6 things.

7 Q. I don't need you to do that. The point --

8 A. Well, how come? You just suggested.

9 Q. Because I'm asking the questions.

10 A. You just said that --

11 MR. O'KEEFE: Let me read this to you. I want
12 to read what it says in your book. This is on page 130
13 of your book, "At the trial, Mitchell identified himself
14 no longer as a military man but as a mathematics
15 instructor at Georgetown University." Period.

16 MR. JANNEY: Well, if I said that in that way,
17 then --

18 MR. O'KEEFE: But your whole book is like that.

19 MR. JANNEY: No, it's not. And I'm not going
20 to go into it.

21 MR. O'KEEFE: And it is, see, because you --

22 MR. JANNEY: Look, I'm not going to argue with
23 you about this.

24 MR. O'KEEFE: You're not reading what you're
25 writing, and you're not looking at the evidence. You

1 are slandering, and you've libeled this man, and you've
2 done it repeatedly.

3 MR. BODNEY: And I, in all fairness, don't
4 think you're honoring the agreement between the parties.

5 MR. O'KEEFE: We are because the agreement was
6 not for Mr. Janney to take the deposition. All right?
7 The agreement was Mr. Pepper was going to take the
8 deposition. He was going to be to present, and he would
9 have the right to interject. And after Mr. Pepper said
10 he wasn't coming --

11 MR. BODNEY: I don't see that in the agreement.

12 MR. O'KEEFE: Because I -- that's how it works,
13 No. 1, and I spoke with Mr. Pepper. All right? So
14 don't yank my chain here. Wait. Stop. No, I want this
15 on the record.

16 MR. BODNEY: You're wasting a lot of time.

17 MR. O'KEEFE: This is on the record.

18 And then Mr. Pepper said he wasn't coming and
19 he said, "It will be okay anyway because Mr. Janney is
20 going to ask the questions." The first time that was
21 ever discussed. I could have written back to Mr. Pepper
22 and said, "Mr. Pepper, take a flying friggin' hike off a
23 bridge," but I didn't.

24 So I said to Bill, "Look we'll let it proceed
25 like this," because my discussion with Pepper was it

1 will be somewhat conversational, and that also meant
2 that my client was going to be able to ask questions
3 back. So this is exactly what the agreement -- if you
4 want to talk to Bill, give him a call.

5 MR. BODNEY: Excuse me. But by my definition,
6 what you're doing right now isn't conversational.

7 MR. O'KEEFE: I'm telling you --

8 MR. BODNEY: You're accusing Mr. Janney of
9 crimes and civil wrongdoing --

10 MR. O'KEEFE: All of which -- absolutely.

11 MR. BODNEY: -- and you're pointing finger and
12 taking up lots of time.

13 MR. O'KEEFE: Absolutely. Absolutely.

14 MR. BODNEY: And I don't think --

15 MR. O'KEEFE: Absolutely.

16 MR. BODNEY: -- that that's a deposition.

17 MR. O'KEEFE: Absolutely.

18 MR. BODNEY: I've never been to a deposition
19 where a lawyer is allowed to participate as you've done
20 today.

21 MR. O'KEEFE: Well, then you don't go to
22 depositions my friend.

23 MR. BODNEY: I go to depositions.

24 MR. O'KEEFE: And I've never been in a case
25 where somebody has filed a wrongful death action 50

1 years after the act.

2 MR. BODNEY: Excuse me. I think the parties
3 are trying to resolve a dispute.

4 MR. O'KEEFE: It's already been resolved.

5 MR. BODNEY: But when you raise your voice and
6 interrupt and don't let him ask questions, you're
7 sending it in the other direction.

8 MR. O'KEEFE: I'm not. I'm trying to help your
9 client see the truth.

10 MR. BODNEY: Then do this: Save that for after
11 the deposition.

12 MR. O'KEEFE: Well, we'll proceed. But he's
13 under the impression that he wrote this thing. He's
14 under the impression that he wrote in his book,
15 "According to this Ms. Higgins" -- blah, blah, blah.
16 That's not what he wrote.

17 MR. BODNEY: Okay. You've made your objection.

18 MR. O'KEEFE: Repeatedly, repeatedly.

19 MR. BODNEY: You've made your objection. Just
20 let him ask the questions --

21 MR. O'KEEFE: That's fine.

22 MR. BODNEY: -- and then we'll go ahead.

23 MR. O'KEEFE: But somebody has got to get --

24 MR. BODNEY: You've made your point.

25 MR. O'KEEFE: Fair enough.

1 MR. BODNEY: Okay.

2 MR. O'KEEFE: But I don't know if I've made my
3 point. At the end of the day --

4 MR. JANNEY: Look, you're wasting time here.

5 MR. O'KEEFE: If at the end of the day, if
6 you're willing to honestly look at what you've really
7 written and what the information is for what you've
8 relied on and you're going to go back and you're going
9 to retract what you've said about Mr. Mitchell, then the
10 point has been made.

11 MR. BODNEY: At the beginning of the day, he's
12 committed himself to honestly reviewing his testimony.
13 So let's just talk. Let him ask the question and let
14 your client answer them, and let's hear what the facts
15 are.

16 MR. O'KEEFE: We will. Yeah, that's what we're
17 doing. I mean, there's been nothing but the truth said
18 here.

19 MR. BODNEY: Okay. But I think it would be
20 helpful if the truth came more from your client rather
21 than argument from you. That's all I'm saying.

22 MR. O'KEEFE: Well, if I'm going to get loaded
23 questions that don't accurately reflect the record or
24 mislead what's said, I'm going to correct the record,
25 and I want to do it in real time because you have an

1 opportunity to hear it. You have an opportunity to hear
2 it; but I get your point, you know; and I don't have the
3 nicest personality. So I'll try to keep it under, put
4 it on a chain. But it is my personality and I'll --

5 MR. JANNEY: Understood.

6 MR. BODNEY: You're fine. Let's just go back
7 to asking questions and answering them and trying to
8 reach a resolution here with a more perfect
9 understanding of the facts.

10 MR. JANNEY: Absolutely.

11 MR. O'KEEFE: And we share that. That's why
12 we're here, really.

13 MR. JANNEY: Can I continue?

14 MR. O'KEEFE: Please.

15 BY MR. JANNEY:

16 Q. Let me continue.

17 A. The only comment about this: The second to the
18 end paragraph in this that you showed me, in the article
19 published the day after the testimony in The Evening
20 Star, the description of what I said -- some of them
21 verbatim. You can look at the transcript -- the first
22 paragraph, completely not true.

23 Q. Well, that's what I'm curious about. I mean,
24 where would reporter Hornig get the idea that you were
25 teaching part-time at Georgetown University?

1 A. You want me to answer that question?

2 Q. Well, I'm curious too.

3 A. Where would she get it?

4 Q. Yeah.

5 MR. O'KEEFE: The point is --

6 THE WITNESS: Well, wait a minute. Let me
7 answer.

8 Maybe her husband, whom maybe worked for some
9 newspaper or something like that.

10 BY MR. JANNEY:

11 Q. Well, why would they pull that out of thin air?

12 A. I don't know.

13 Q. And identify Georgetown University?

14 A. Even Damore at some point talking about how
15 that thing maybe was done, people referring to that. So
16 I'm not saying -- but the important point you asked how.
17 The important point is I never taught mathematics at
18 Georgetown, and I didn't say that.

19 Q. Okay. That's good because Georgetown has no
20 recollection of you ever having taught there.

21 A. And I didn't say that.

22 Q. Right. Well, someone told her that. Okay? So
23 I'm assuming as a reporter --

24 MR. O'KEEFE: And that's -- we don't know if
25 someone told her that. Maybe she just, you know, made a

1 mistake. Maybe she took down a note from someone else.
2 We don't know if someone told her. There's a whole
3 bunch of explanations as to why she got the wrong
4 information.

5 MR. JANNEY: There could be. That's right.

6 MR. O'KEEFE: Right. But the point here is
7 you've asked him. He never said it to her.

8 THE WITNESS: That's real important.

9 BY MR. JANNEY:

10 Q. Your response is duly noted, but let's continue
11 on the record.

12 After your testimony on July 26, how long did
13 you remain in Washington?

14 A. I don't know the exact time. I flew -- no.
15 Wait a minute. I think I took the boat to London.

16 Q. And how soon after the trial?

17 A. I don't remember.

18 Q. You don't remember? Was it in the summer? In
19 the fall?

20 A. Yeah, like the end of summer, very end of
21 summer.

22 Q. And so were you still maintaining your
23 residence at 1500 Arlington Boulevard?

24 A. No.

25 Q. No?

1 A. And I didn't make --

2 Q. When did you move?

3 A. Huh?

4 Q. When did you move out of 1500 Arlington
5 Boulevard?

6 A. Probably end of summer.

7 Q. End of summer. And where did you move to?

8 A. No. When I left.

9 Q. Right. But up until the time you did leave,
10 you were still at 1500 Arlington Boulevard; correct?

11 A. Yeah. I never lived in any other place at that
12 time.

13 Q. Great. Okay. Now, did you apply for any
14 fellowship or scholarship?

15 A. Going overseas?

16 Q. Yeah.

17 A. I saw your reference to -- I applied for a
18 full-ride fellowship, and the same time -- I mean, to
19 help finance my study in London. And I was trying to
20 finance or I was going to continue to -- I mean, to come
21 back and study at Berkeley for my Ph.D. So I was
22 working on both of those at the same time, and I applied
23 to the full-ride fellowship.

24 And my recollection is -- 50 years later --
25 that they said, "You're only going to be there eight

1 months, nondegree program, studying mathematical
2 economics and operations research. If you want to stay
3 longer, then we'll consider." So --

4 Q. So you never got a full --

5 A. No. I was just an applicant for that.

6 Q. What about an Eisenhower Fellowship? Did you
7 ever apply for that?

8 A. No, not that I -- no.

9 Q. You have no --

10 A. To University of London or London School of
11 Economics?

12 Q. Well, a fellowship so that you could go to
13 London School of Economics.

14 In other words, you didn't consider an
15 Eisenhower Fellowship?

16 A. No. I don't know what Eisenhower was, not that
17 I remember.

18 Q. What entity, then, was responsible for giving
19 you the financial ability to go to London and study
20 there?

21 A. I save my money from being paid for two years
22 working in the military, and then I found out
23 sometime -- and I don't know when I was there -- that I
24 would be eligible for the GI Bill to help me, help me
25 also finance -- I think that helped me finance the

1 beginning of my studies at Berkeley, and I got a
2 research fellowship at Berkeley. And I had to arrange
3 all those things sort of beginning at that time when I'm
4 going over there, you know, when the day is really
5 before the extended Internet and all that kind of stuff.

6 Q. So, again, do you have any further recollection
7 of when you actually left the United States for London?

8 A. I think it was the end of the summer.

9 Q. Okay. So it would have been August '65?

10 A. I couldn't pin a month. Maybe August,
11 September, but --

12 Q. Okay. Do you remember attending the wedding of
13 your Cornell classmate Frank Voelker in 1964?

14 A. No.

15 Q. What were your actual dates of attendance at
16 the London School of Economics?

17 A. No. When I got there in the fall and I left --

18 Q. That would have been the fall of 1965; right?

19 A. Fall of '65, spring of -- spring, early summer
20 '66. And then I went, came back to visit my family,
21 drove across the country, and started at Berkeley in the
22 fall of '66.

23 Q. Okay. Thank you. Do you remember when you
24 came back that summer, Bill, that you visited your
25 roommate, your classmate Frank Voelker?

1 A. No.

2 Q. You don't? You don't remember?

3 A. No.

4 Q. So you're telling us that you moved to
5 California in the fall of 1965; correct?

6 A. Yes.

7 Q. And you started your Ph.D. program in
8 mathematics at Cal Berkeley at that time?

9 A. No, that citation --

10 Q. Excuse me. In the fall of '66?

11 A. The time is right. But I studied industrial
12 engineering and operations research in the school of
13 engineering.

14 Q. At Berkeley or at --

15 A. At Berkeley.

16 Q. Okay. I thought you --

17 A. I don't know where your private dick or
18 whatever got that wrong. Not mathematics there. I
19 studied applied mathematics at Harvard.

20 Q. Right.

21 A. At Berkeley, industrial engineering operations
22 research, department of engineering.

23 Q. Okay.

24 A. Fall of '66.

25 Q. Let's switch gears here for a bit.

1 Have you ever been aware of something called
2 the Church Committee in the United States Senate?

3 A. No.

4 Q. Never?

5 A. No, not right now. I can't remember.

6 Q. Do you remember anything about what the Church
7 Committee was about or what they were investigating?

8 A. No.

9 Q. Well, just so we're clear, the Church
10 Committee, otherwise known as the United States Senate
11 Select Committee to Study Governmental Operations With
12 Respect to Intelligence Activities, began in 1975; and
13 it was chaired by Senator Frank Church. They were
14 immediately followed by the House Select Committee on
15 Assassinations.

16 Now, were you ever contacted at any time by any
17 member of the Church Committee or the HSCA? I can't
18 hear you.

19 A. No.

20 Q. When did you start teaching at Cal State
21 Hayward?

22 A. I started -- let's see. I was still a graduate
23 student at -- in Berkeley. Let's see. I finished --
24 '66, '68, '69, '70 -- I think it was something like '68,
25 '69, somewhere in there.

1 Q. And when were you given the rank of assistant
2 professor at Cal State School of Business at Hayward?

3 A. I guess when I graduated from Berkeley.

4 Q. Which would have been when?

5 A. '69, '70.

6 Q. Okay. And when were you promoted to associate
7 professor there?

8 A. I don't remember the year.

9 Q. What year did you become emeritus?

10 A. I think it was -- let's see -- '89, '90,
11 something like that, when I retired.

12 Q. So in what year do you recollect that you
13 changed your name at Cal State from William L. Mitchell
14 to Bill Mitchell?

15 A. I think it was sometime around the time I
16 bought my house. I wanted to change all my records to
17 Bill Mitchell, which is the name I go by.

18 Q. What prompted you to want to change your name?

19 A. To make all my records similar. And Bill is
20 the same as William. I was always called Bill by most
21 everybody.

22 Q. Okay. That's the only reason?

23 A. That's it.

24 Q. You just woke up one morning and decided you --

25 A. I'm not sure it was waking up one morning.

1 Q. Well, I mean, I'm curious. I mean, someone
2 usually doesn't go changing their name until they've
3 given it a long, fairly long period of thought or
4 they've contemplated.

5 A. But it's not completely changing a name. It's
6 like Bill is a short name for William.

7 MR. O'KEEFE: Well, you just testified but
8 maybe -- you said you think. But you said it was when
9 you bought your house, so I'm assuming it may have had
10 something to do with when you were taking the title.

11 THE WITNESS: Yeah.

12 BY MR. JANNEY:

13 Q. Okay. I want you to know that the Cal State
14 reference historian, Paul MacLennan, told us on
15 September 18th, 2012, that you were using your name
16 William L. Mitchell and you were initially listed as an
17 assistant professor in the 72/73 academic year. It was
18 sometime after that that you changed your name to just
19 Bill Mitchell.

20 Would you agree with that? It was sometime
21 after?

22 A. Probably. Because I think I bought my house
23 in -- I think it was '78, 1978, I think.

24 Q. But according to what we were told, your name
25 changed at Cal State in the 74/75 academic year from

1 William L. to Bill Mitchell.

2 Does that make sense to you?

3 A. I don't remember. Yeah, I guess.

4 Q. And did you go to court? Did you go file
5 papers to legally change your name?

6 A. I don't remember what I had to do.

7 Q. But you did get a new social security number?

8 A. My recollection is that I had to change my
9 social security number when I wanted to use Bill as my
10 permanent legal name.

11 Q. But you don't remember going through any court
12 proceeding or filing any legal documents to change your
13 name?

14 A. Court proceeding I don't remember, no.

15 MR. JANNEY: Okay. It's a little bit before
16 noon. I probably have, you know, probably another hour
17 to go.

18 MR. O'KEEFE: Okay.

19 MR. JANNEY: Should we take a little break?

20 THE WITNESS: No. Let's continue.

21 MR. O'KEEFE: No. Let's take a break. Kyle
22 has been going pretty hard at it. We'll take a quick
23 break.

24 (Whereupon a recess was taken from 11:55 A.M.
25 to 12:14 P.M.)

1 MR. JANNEY: Let's continue.

2 \\\

3 BY MR. JANNEY:

4 Q. So, Bill, can you remember what year you
5 purchased your residence on Jaynes Street in Berkeley,
6 approximately?

7 A. I think it was '78, I think.

8 Q. And you were using the name Bill Mitchell at
9 that time; correct?

10 A. At that time I purchased it. Yeah, I think
11 that's the main reason that I changed my formal name
12 from William L. to Bill.

13 Q. Okay. And you've already told us that you were
14 using a new social security number other than the one
15 that was issued to you back in New York?

16 A. Yeah. My understanding was that, when I
17 changed my name, the Social Security administration
18 Department said I had to change my social security
19 number.

20 Q. Okay. Now, according to our research -- and
21 you can correct me if I'm wrong -- you transferred this
22 property to the Bill Mitchell trust by way of a
23 quitclaim deed in early 1992; is that correct?

24 A. I don't remember the actual date; but, yeah, I
25 put it in a trust.

1 Q. What was the purpose of doing that at that
2 time?

3 A. I don't know specifically about that.

4 MR. O'KEEFE: Okay. What I would say is -- and
5 you can probably answer it anyway -- but that probably
6 calls for attorney-client communication information.
7 But if you are aware. But in California it's very
8 common that people will hold their property in trust
9 because then, when you die, it doesn't go through
10 probate. I have that.

11 MR. JANNEY: Same in Massachusetts. Yeah.

12 MR. O'KEEFE: Almost all my friends have that,
13 yeah. So I'm assuming that's --

14 THE WITNESS: And my parents did that.

15 BY MR. JANNEY:

16 Q. So were you also aware in 1992 that the author
17 Leo Damore was vigorously pursuing a campaign to locate
18 you during this time?

19 A. No. I said before I never heard of Damore.

20 Q. Got it. Okay. So let's move on.

21 Did you attend your high school reunion in
22 1982?

23 A. No.

24 Q. That would have been your 25th?

25 A. No.

1 Q. Did you correspond with any of your classmates
2 in the spring of 1982 -- I'm sorry -- the correct date
3 is 1982, not 1992. Your 25th high school reunion would
4 have been 1982.

5 And my question is did you correspond with any
6 of your classmates in the spring of 1982?

7 A. You mean about the --

8 Q. About the upcoming reunion?

9 A. No.

10 Q. Oh, okay. So I want to show you a copy of what
11 you filled out for your 25th high school reunion.

12 Does that look familiar to you? Is that your
13 handwriting? Did you do that?

14 A. Yeah, it's my handwriting.

15 Q. And that would be exhibit number, what? At the
16 bottom?

17 MR. O'KEEFE: There's no number on it. Oh,
18 it's right there under your thumb, No. 8.

19 BY MR. JANNEY:

20 Q. Exhibit 8. Okay. You don't list any children
21 in the questionnaire.

22 Yet if I'm correct, your attorney told my
23 attorney several times that you have a daughter; is that
24 correct?

25 A. That I have -- you mean Garet told you that I

1 have a daughter?

2 Q. He told Mr. Pepper that. That was my
3 impression.

4 A. No. My wife -- I call my wife as a domestic
5 partner.

6 Q. Okay. But you never had any children with her
7 of your own, any biological children?

8 A. That's correct.

9 MR. O'KEEFE: And I may have told Bill Pepper
10 that that was Bill's daughter, and then Bill corrected
11 me and told me it wasn't. So whether I corrected that
12 to Bill directly or not -- but in our settlement, the
13 language in the settlement agreement, we made it very
14 clear that it's his grandchildren through his wife or
15 domestic partner. And so I may have had a
16 misunderstanding, so it's quite possible I gave that
17 information to Bill Pepper.

18 BY MR. JANNEY:

19 Q. That's okay. It's very understandable.

20 Now, in paragraph No. 9 here, you mention that
21 you were in the U.S. Army and stationed at Fort Eustis;
22 is that correct?

23 A. Yeah, it says U.S. Army, Fort Eustis, Virginia,
24 and Washington, D.C. That's what we talked about
25 earlier.

1 Q. Right. And tell me again when exactly -- when
2 you were transferred to Washington, D.C. from Fort
3 Eustis, approximately?

4 A. I got a call sometime in the fall saying I
5 would be transferred, and all I remember is, when I
6 arrived driving to Washington, D.C., that was the day of
7 the procession of Kennedy's funeral. That stuck in my
8 memory.

9 Q. Okay. And in the next paragraph on that
10 document, where it says, "In what cities, towns, have
11 you lived?" you list "Williamsburg, Pennsylvania" or
12 "Williamsburg, P.A." Do you see that?

13 A. Yeah. I don't know why. The only ones that --
14 I don't know where that comes from.

15 Q. You don't?

16 A. I don't remember Williamsburg.

17 Q. That mystified me too because, in 1963, '64,
18 Williamsburg, Pennsylvania had a population of less than
19 1,000 people. There was no industry or media outlet
20 there. The town is located more than 170 miles from
21 Washington, D.C. and over 350 miles from Fort Eustis.

22 A. Right. I don't know.

23 Q. Could that have been a mistake, and did you
24 mean Williamsburg, Virginia?

25 A. I don't know. I'm just looking at the order.

1 It's chronological -- Ithaca, Cambridge, Washington,
2 D.C., and then London. The only place I remember --
3 Helsinki, Oslo -- they're all correct. I don't know.

4 MR. O'KEEFE: I mean, do you recall if maybe
5 you were stationed briefly at Williamsburg, Pennsylvania
6 for some reason after D.C.?

7 THE WITNESS: No, no. After D.C. -- when I
8 arrived at D.C., I served the rest of my military
9 service in D.C. Before that, at Fort Eustis.
10 Williamsburg --

11 BY MR. JANNEY:

12 Q. Okay. Where did you live when you were at Fort
13 Eustis?

14 A. On the base.

15 Q. And the base is right next to Williamsburg,
16 Virginia, is it not?

17 A. I don't know. I don't remember. I don't know.

18 Q. Have you ever heard of Camp Peary, sometimes
19 referred to as "the farm"?

20 A. No.

21 Q. It too is located in Williamsburg, Virginia.
22 It's the CIA's main training facility.

23 A. No. Like I say, never had any connection.

24 Q. Wait a minute now.

25 So the distance between Camp Peary and Fort

1 Eustis is 14 miles along Interstate 64. It's less than
2 a 15-minute car ride.

3 But I'm curious to know whether you really
4 meant that you were living in Williamsburg, Virginia and
5 not Williamsburg, Pennsylvania as you wrote on that 25th
6 reunion questionnaire.

7 How did that get there?

8 A. I don't know. I don't know. If it would be
9 referring to Fort Eustis -- I think the other things are
10 chronological -- it would be between Cambridge,
11 Massachusetts and Washington, D.C. if I were to put that
12 in there, if anything referred to Fort Eustis. I don't
13 know.

14 Q. Do you know where Fort Eustis is located?

15 A. Right now?

16 Q. Yeah.

17 A. No, I don't know the name of it.

18 Q. It hasn't changed location.

19 What town were you living in when you were on
20 the base?

21 A. I would say I was living on the base.

22 Q. And do you know where the base is located?

23 A. I don't know the name of the city.

24 Q. You don't?

25 A. No.

1 Q. Would you -- do you think it's close to
2 Williamsburg, Virginia?

3 A. I don't know. I'd have to look at a map.

4 Q. So, again, referring to this document, what
5 prompted you to visit the Jung Institute in Zurich in
6 1982, in the spring of 1982?

7 A. In the summer I think one year I took courses;
8 and I even considered, after I had retired, applying to
9 become a Jungian analyst.

10 Q. Did you ever go through Jungian Analysis on
11 your own as a patient, as a client?

12 A. I did.

13 Q. You did. How many years were you in Jungian
14 Analysis? Do you remember?

15 A. At least a year.

16 Q. At least a year.

17 And was that locally here in California or
18 while you were over in Zurich?

19 A. No. Before I went to Zurich.

20 Q. Before you went to Zurich. Okay.

21 What do you remember studying when you went to
22 Zurich while you were at the Jung institute?

23 A. In the summer they had programs for -- general
24 for people, very, very broad theory and analysis.

25 Q. So how long do you remember being there, total?

1 A. In the summer it was something like two or
2 three weeks, I think.

3 Q. Okay. So, again, Bill, I just want to come
4 back to this anomaly here of Williamsburg, Pennsylvania.

5 You have no idea what prompted you --

6 A. No idea.

7 Q. -- to --

8 A. No idea.

9 Q. And do you think it's possible that you
10 actually meant Williamsburg, Virginia?

11 MR. O'KEEFE: I don't want you to speculate.

12 THE WITNESS: I don't know. No, no. I don't
13 know.

14 MR. O'KEEFE: Just tell him --

15 THE WITNESS: I really don't know.

16 BY MR. JANNEY:

17 Q. Okay.

18 A. I mean, I would have thought, if I wanted to
19 put Fort Eustis, I would have said Fort Eustis, Virginia
20 as well. That's what I'm probably thinking now. I
21 don't know. And, like I say, when I look at the order,
22 chronological, I would have put it before Washington,
23 D.C. See what I mean?

24 Q. Well, yeah, unless you were thinking about
25 being misleading in some way.

1 A. I don't know. Is that a question?

2 Q. No.

3 A. A question or a comment?

4 Q. It's just a comment. I mean --

5 A. Wait a minute. Who is asking -- you can't
6 make --

7 MR. O'KEEFE: I want to address this because
8 why would he want to mislead his high school reunion
9 committee?

10 MR. JANNEY: To keep from --

11 MR. O'KEEFE: He wouldn't even need to put it
12 on. This is not a compulsive thing.

13 MR. JANNEY: That's right but --

14 MR. O'KEEFE: Right. So it obviously is not.
15 And that's kind of what I'm trying to communicate to you
16 here.

17 MR. JANNEY: I know that's where you're going.

18 MR. O'KEEFE: You got to keep things in
19 context. And obviously, like, if he was this top secret
20 agent, he wouldn't even write to his high school
21 committee. Why would you put anything down that even
22 would connect you to being a top secret agent who is
23 involved in a murder?

24 MR. JANNEY: Williamsburg, Pennsylvania
25 wouldn't do that; however --

1 MR. O'KEEFE: Yeah, but obviously he wrote that
2 down. Maybe he lived there and doesn't remember. Who
3 knows.

4 THE WITNESS: No, no, no. I did not live in
5 Williamsburg, Pennsylvania.

6 MR. O'KEEFE: Right. But you didn't live in
7 Williamsburg, Virginia either.

8 MR. JANNEY: But that's where Fort Eustis is.

9 MR. O'KEEFE: Well, he lived on the base.

10 MR. JANNEY: Right. It's technically within
11 the confines of Virginia.

12 MR. O'KEEFE: So let's say, even if it was
13 Williamsburg, Virginia, you've already got that because
14 he said he lived in Fort Eustis. I mean, you've already
15 got that if that's what your understanding is. So it's
16 just -- it's weird. We'll accept that it's an anomaly,
17 but it doesn't mean anything, and you got to put it in
18 context.

19 MR. JANNEY: I understand that that's your
20 point of view.

21 MR. O'KEEFE: Right.

22 THE WITNESS: And it's important to go back to
23 the question you asked me that I had no contact with any
24 CIA organization in or near that place at any time and
25 even then.

1 BY MR. JANNEY:

2 Q. Yes, I'm well aware of that that's what you
3 maintain.

4 A. Okay.

5 Q. Okay. So I want to move on now --

6 MR. O'KEEFE: Just quickly -- and then I'm not
7 going to interrupt too much longer -- but I do want to
8 remind you that, in our settlement agreement, one of the
9 things you agreed to in Paragraph 5-B -- and this was
10 talking about the tone and purpose -- "Janney, through
11 his counsel, has requested that the deposition proceed
12 in a conversational fashion, and Mitchell has agreed to
13 make his best efforts to be conversational in exchange
14 for Janney taking Mitchell at his word and making an
15 honest evaluation of Mitchell's testimony and in-person
16 credibility."

17 So I just want to remind you that that's --

18 MR. JANNEY: Yeah. You've reminded me several
19 times, and I understand exactly where you're coming
20 from. I really do.

21 MR. O'KEEFE: Okay. All right.

22 BY MR. JANNEY:

23 Q. Okay. So, Bill, I want to show you Exhibit 9.
24 And this is the alleged -- the phone call that Leo
25 Damore --

1 A. I didn't -- I never made.

2 Q. Bill, Bill --

3 A. I never made a phone call to Damore.

4 Q. You've been standing up and pointing your
5 finger at me throughout this entire deposition. I
6 understand that this makes you anxious and
7 uncomfortable --

8 A. No, no, no, no. Not anxious. Hey, wait.
9 You're pulling a shrink on me. It doesn't make me
10 anxious. It makes me angry.

11 Q. Okay. It makes you angry.

12 A. I told you --

13 Q. Duly noted.

14 MR. O'KEEFE: So let him ask the questions.

15 THE WITNESS: Wait a minute.

16 I told you I never made any comments to Damore
17 in any form.

18 MR. O'KEEFE: Right. Right. And that's fine;
19 but, you know, he's got this record. And now let him
20 ask you about it, and it will help him understand and
21 evaluate the credibility of that record. And that's
22 what we're here to do.

23 MR. JANNEY: Thank you.

24 BY MR. JANNEY:

25 Q. So, Bill, tell me when you first become aware

1 of the name Leo Damore.

2 A. When I looked at your book. When I looked in
3 the book.

4 Q. So that would have been August 2012; correct?
5 Right when I sent the book to you?

6 A. Maybe even before. When you came to my door --

7 Q. It was August 2012.

8 A. -- I didn't want to have anything to do with
9 you because I quickly found out that you had accused me
10 of being the fall guy and that I murdered Mary Meyer.
11 Don't want to have anything to do with you. You come to
12 my door. You want me to just kind of bow down? Oh,
13 yeah, whatever? I don't want anything to do with you.

14 Q. No, I just wanted to talk to you.

15 A. That's where I discovered about Damore.

16 Q. So we've just answered that question.

17 Since then, have you ever read or looked at any
18 of Leo Damore's books?

19 A. No.

20 Q. No. Okay. Have you ever met or talked in
21 person on the telephone with Leo Damore?

22 A. I said I had never contacted in any way. Are
23 you listening?

24 Q. Yes, I am. But I'm going to ask the question.

25 A. Why are you asking when I already told you

1 that?

2 Q. Because it's part of my preparation.

3 A. It's really bad preparation. It's wasting our
4 time when you go over it and you're not listening.

5 Q. I'm listening, Bill.

6 A. You aren't listening.

7 Q. Duly noted. Duly noted.

8 A. Because it's really important. That is the
9 basis of some of the stuff that you put in the book
10 accusing me of murder.

11 Q. Okay.

12 A. Supposedly some guy calls Damore and says,
13 "Hey, I pulled a gun. I did this kind of thing."

14 Q. Well, let me ask you this: Have you ever known
15 any possibility of someone else using your name or
16 impersonating you? Have you?

17 A. No. If that's the case, you should have -- in
18 your 30 years of research, if that's the case, you
19 should have clearly spelled that out instead of
20 committing libel.

21 Q. I'm just asking you if you've ever been aware
22 of anyone using your name or impersonating you for any
23 reason.

24 A. Not until I read your book.

25 Q. Okay. So what you're saying is, if this phone

1 call, in fact, took place, someone was impersonating
2 you?

3 A. I don't know. It wasn't me, and that's the
4 important thing. I say right it to you.

5 Q. I understand that.

6 A. And I'm saying, also, that you should have done
7 your homework and you should have put that and spelled
8 it out, and spelled it out for the publisher.

9 Q. Duly noted. Let's move on. According --

10 A. And this is a good place to say it.

11 Q. Okay. You've made your point, Bill.

12 A. Wait a minute. I didn't make my point because
13 you need to listen. You write in the book that I'm the
14 fall guy and that I pulled the trigger, the assassin;
15 right?

16 Q. No. Actually, I think what I said is that,
17 according to these notes taken on this call,
18 Mr. Damore's attorney, James Smith, wrote that whoever
19 was talking Damore said he did not want to be the fall
20 guy in history for what took place.

21 A. But you put that stuff in the book, and you
22 don't ever make that distinction. And then how come --
23 how come on November the 22nd --

24 Q. Bill --

25 A. Wait. Listen. This is a good place to --

1 Q. You've already made this point.

2 A. Wait a minute. No, I haven't made this point.

3 Q. Yes, you have.

4 A. You haven't listened.

5 Q. You've made it several times.

6 A. No, no, no. I haven't made this point.

7 And, listen, on the 22nd of November, publicly
8 you said that I was not the fall guy, that I didn't
9 kill -- publicly. And in the next breath on that tape,
10 you said that I was still -- I was part of the assassin
11 group.

12 Q. That was my belief.

13 A. Okay. Wait a minute. Isn't that -- I say as a
14 layperson, when you publish in here that I killed her
15 and then you -- isn't that an admission of libel?

16 Q. No. What we're here to do --

17 A. How come?

18 Q. Bill, what we're here to do today --

19 A. I'm asking you a question about that. It's
20 really important.

21 Q. I'm not going to answer your question.

22 A. How come you're not going to answer that?

23 Q. Because I'm --

24 MR. BODNEY: I think that one calls for a legal
25 conclusion.

1 THE WITNESS: No. I'm saying as a layperson
2 we're conversational style. I hear what you're saying.
3 I'm not asking it in a legal -- I'm saying as a
4 layperson how come? That's really important. No one
5 ever accused me of murdering somebody, and you did that
6 in the book publishing it, whatever the number of years
7 of research.

8 BY MR. JANNEY:

9 Q. Can we continue now?

10 A. No. Wait a minute. I didn't finish, and you
11 didn't answer. You're backing off.

12 Q. I'm not going to answer, Bill.

13 A. How come?

14 Q. Because I'm asking the questions.

15 A. It's conversational.

16 Q. I'm asking the questions.

17 A. No. Wait a minute. This is conversational. I
18 asked you this. This is part of the thing. You
19 mentioned Damore and this stuff.

20 Q. Do you want to continue?

21 A. How come you don't want to answer that
22 question?

23 Q. Let's go to the next question.

24 A. How come you don't want to answer that
25 question?

1 Q. I'm not going to give you an answer.

2 MR. BODNEY: If I may help.

3 THE WITNESS: Sure.

4 MR. BODNEY: I think he's trying to hear you
5 now directly for the first time and assess the truth of
6 what you're saying and your credibility as a source.

7 THE WITNESS: How come he won't answer that?
8 Just like when I asked before. He shows up at my door,
9 secretly a hidden microphone and records my
10 conversation, that short one; and then he plays it
11 publicly, twice. And I ask about that; he don't answer
12 that. How come? This is conversational. I asked that.

13 MR. BODNEY: It's conversational, but I think
14 it's your deposition.

15 THE WITNESS: No, no, no, no. It's part of
16 this deposition. It's part of these things that we're
17 talking about.

18 BY MR. JANNEY:

19 Q. No.

20 A. Yes, it is.

21 Q. Can we proceed, Bill, and get through this?

22 MR. O'KEEFE: I mean, I do think that
23 "conversational" implies some back and forth, but the
24 point is duly noted.

25 THE WITNESS: Are you afraid? Are you afraid

1 to answer that?

2 MR. O'KEEFE: Of course he is. So let him ask
3 his questions.

4 MR. BODNEY: Well, I'm not sure that's a fair
5 statement, but let's proceed.

6 THE WITNESS: How come it's not a fair
7 statement?

8 MR. BODNEY: Because I don't know how your
9 lawyer can say that he's afraid to answer any question.

10 MR. O'KEEFE: Then he would answer the
11 question, or he wouldn't be talking about whether he'll
12 answer it or not. So maybe he's afraid, maybe he's not,
13 but he's got some reason that he doesn't want to answer
14 it. And that's the first one that seems --

15 THE WITNESS: If he really wants to find out,
16 put it right on the table. Hey, you're the shrink. Put
17 it right on the table. Huh? Are you afraid of that
18 one?

19 BY MR. JANNEY:

20 Q. No.

21 A. How come?

22 Q. Can we proceed now? Okay.

23 So Exhibit 9 is -- these are the notes that
24 were taken on Mr. Damore's telephone call with his
25 attorney on the morning of March 31st, 1993; and

1 Damore's attorney, James Smith, is still alive. He
2 lives in Falmouth, Massachusetts. And he received a
3 telephone call from Mr. Damore, and attorney Smith took
4 these notes. And I'd just like to ask you a few
5 questions about what's contained in the notes and which
6 I can see you've seen before.

7 A. No, I haven't. I didn't read them.

8 Q. Well, I mean, they're in the book.

9 A. But I didn't read them because I didn't do it.

10 Q. I understand that that's what you think.

11 A. So why you asking me questions about that? I
12 didn't do it.

13 Q. As you can see, he has your name at the top.

14 A. So what? I said that I didn't do it.

15 Q. I hear you, Bill. Okay? I'm just trying to
16 get to the bottom of this.

17 A. Yeah, but that's the bottom: That I didn't do
18 it.

19 MR. O'KEEFE: Bill, no, he's got it. He
20 understands that. Bill, somebody gave him these notes,
21 and it's multiple hearsay. So let him ask the questions
22 about these notes because the more --

23 THE WITNESS: Why you asking me?

24 MR. O'KEEFE: Because somebody put your name on
25 there, and so let him ask you the questions because this

1 would be very helpful for him to be able to ask you
2 questions, and then you can address them to the best of
3 your ability.

4 BY MR. JANNEY:

5 Q. Okay. So you've already told us that this was
6 not you on the other end of the phone, and that's duly
7 noted, and I've already asked you were you ever aware of
8 anyone using your name.

9 A. I said no.

10 Q. Okay. Had you, Bill, ever worked in any
11 capacity directly or indirectly for the FBI?

12 A. No.

13 Q. Were you ever aware at any time that your
14 residential address of 1500 Arlington Boulevard in
15 Arlington was a known CIA safe house in 1964?

16 A. No. I told you before, no, I don't know. No.

17 Q. Okay. All right.

18 A. And you know also, Damore sends a letter there
19 30 years after I lived there, 30 years. I'm in my 20s
20 thinking whatever, whatever, this guy that might still
21 be living there?

22 Q. Can I ask you this: Bill, who's paying for
23 your legal services for this case?

24 MR. O'KEEFE: No. You cannot ask that
25 question.

1 BY MR. JANNEY:

2 Q. Okay. Well, let me ask you this: Have you
3 conferred --

4 A. Why do you ask that?

5 MR. O'KEEFE: Who's paying for your legal
6 services?

7 MR. JANNEY: I am.

8 MR. O'KEEFE: Okay. Well, so is he.

9 THE WITNESS: Why are you asking me that? Why
10 are you asking me that?

11 BY MR. JANNEY:

12 Q. Have you ever conferred with any former or
13 current representative of the United States Government
14 or anyone else, including any additional attorney other
15 than Mr. O'Keefe, regarding any aspect of this lawsuit,
16 including preparation for this deposition?

17 A. Any other lawyer?

18 Q. Yeah. Any other lawyer or any other former or
19 current U.S. Government official?

20 A. Roger Browning.

21 MR. O'KEEFE: I don't know who that is.

22 THE WITNESS: That friend of my brother's.

23 MR. O'KEEFE: No, that's Chris Koonce.

24 THE WITNESS: No. The guy who contacted
25 Whalen.

1 MR. O'KEEFE: Okay. I don't know about that.
2 You can tell him about that.

3 BY MR. JANNEY:

4 Q. So what is it that you want to tell me?

5 A. No. Go ahead with your question.

6 Q. Well, I just wanted to get an answer.

7 A. Rephrase the question. Say the question.

8 MR. O'KEEFE: He wants to know if you've
9 conferred with somebody, another lawyer or government
10 agent, about this lawsuit or your deposition.

11 THE WITNESS: No.

12 BY MR. JANNEY:

13 Q. This would include any current or former
14 official of the CIA, FBI, Defense Intelligence Agency,
15 Homeland Security, or NSA.

16 And your answer is no; is that correct?

17 A. A friend of my brother's, Roger Browning,
18 contacted Whalen and asked him about some of this stuff.
19 He was a career member of the FBI.

20 Q. And so he contacted Detective Whalen in what
21 capacity?

22 A. To find out about things, about the status of
23 this case.

24 Q. Okay.

25 A. Of the criminal case.

1 Q. Was he curious about whether the case might be
2 reopened? Was that his reason for --

3 A. He asked him, I think.

4 Q. I'm sure your attorney is going to say this is
5 privileged, but I'll ask it anyway: How did you come to
6 choose Mr. O'Keefe as your attorney?

7 MR. O'KEEFE: Yeah, that's -- well, I don't
8 know if that's privileged, but it's totally irrelevant.
9 But you can answer it. I really don't care.

10 But before you answer the question -- well,
11 answer that question. Then I have something I need to
12 clarify on the last series of questions. Go ahead and
13 answer the question. Yeah, his son-in-law goes to
14 school with my children. So --

15 THE WITNESS: And what does that have to do
16 with anything?

17 MR. O'KEEFE: It doesn't have anything to do
18 with it, but he wants to know. So that's fine. Like
19 I'm not some secret spook lawyer for a bunch of CIA
20 agents. I'm not. I'm a regular business lawyer. I
21 have a regular connection to this regular human being.

22 So but the last question --

23 MR. JANNEY: I need to take a five-minute
24 bathroom break.

25 (Whereupon a recess was taken from 12:41 P.M.

1 to 12:43 P.M.)

2 MR. O'KEEFE: So if we can go back on the
3 record, I just want to clarify something really quickly
4 just so there's no misunderstanding.

5 You asked him about Mr. Browning seeking the
6 record of the case, and he will tell you, if you want to
7 hear it from him that, yes, he had -- see if you could
8 get the case record and you want to look at the case
9 files. And you followed-up, so you were concerned they
10 would reopen the case.

11 I don't think he really understood your
12 question. I don't want there to be an implication that
13 he was concerned that the case would be reopened or
14 there would be some case against Mr. Mitchell. And he
15 didn't understand your question that way, but I believe
16 the record, the way it reads, could be -- that
17 implication could be drawn.

18 But that was not one of his concerns. That was
19 not his request. He wanted to get the case filed
20 because, when he saw your book, he wanted to get
21 information. And I just want to make that clear that
22 that's what was going on in his mind and his record
23 requests.

24 And then you can tell him. Did you have any
25 concern that they'd open a murder case against you?

1 THE WITNESS: No.

2 MR. O'KEEFE: So I just wanted to make sure you
3 had the --

4 MR. JANNEY: Understood. Duly noted.

5 THE WITNESS: And Whalen was contacted by Roger
6 Browning a couple of times. First was, as Garet just
7 explained, wanted to get the entire transcript.

8 BY MR. JANNEY:

9 Q. Right.

10 A. And then the second time, as I mentioned --

11 Q. The trial? You're referring to the trial
12 transcript?

13 A. Yeah, yeah, yeah.

14 And then the second time was a copy of my
15 affidavit of the first time. And that's when Whalen
16 came back through Roger Browning saying that all the
17 records for the criminal case were destroyed, done under
18 1990. Don't have it.

19 Q. I just have a few more things. I want to go
20 back to what your interest was in Jungian Psychology.

21 How did you become interested in Carl Jung and
22 his work?

23 A. I think I might have read a couple of books
24 first. I can't remember -- oh, I read Jung's
25 autobiography, one thing. And I read another woman who

1 was a Jung analyst, some other book at the time; and
2 then I entered Jungian Analysis myself for at least a
3 year.

4 Q. And did you feel like this was a good thing to
5 do? Did you come out of it feeling like this was --

6 A. Yeah, yeah, yeah. I mean, of all the
7 psychological, what, theories and all things, most
8 identified with, yeah.

9 Q. Have you ever experimented with my
10 hallucinogenic drugs, like marijuana, LSD, psilocybin,
11 anything like that?

12 A. Not at all.

13 Q. Have you ever been, Bill, evaluated for any
14 psychological disorder, such as dementia, memory loss,
15 anything like that?

16 A. No.

17 Q. Never?

18 A. You mean outside of Jungian Analysis?

19 Q. Yeah.

20 A. No.

21 MR. O'KEEFE: So all this stuff is totally
22 inappropriate and irrelevant. I'm only letting you
23 answer because I know that this is a sound human being
24 that hasn't gone through all of that. But I do think,
25 if you're going to probe him in that way, we get to ask

1 you the same questions.

2 MR. JANNEY: Well, let's call Mr. Pepper here
3 because it was my understanding that that's not the
4 case, and I want to see if we can't get to the bottom --

5 MR. O'KEEFE: I mean, I once had a client that
6 I was -- he got beat by one of the Oakland riders. That
7 was --

8 THE WITNESS: But maybe -- can you finish?

9 MR. O'KEEFE: Let me tell my story real quick.
10 It will be very quick. He got beat by one of the
11 Oakland riders -- you don't have to put this on the
12 record.

13 THE REPORTER: Off the record?

14 MR. JANNEY: Yeah.

REPORTER'S CERTIFICATE

I, KYLE MCLEAN, do hereby certify:

That BILL MITCHELL, in the foregoing deposition named, was present and by me sworn as a witness in the above-entitled action at the time therein specified;

That said deposition was taken before me at said time, and was taken down in shorthand by me, a Certified Shorthand Reporter of the State of California, and was thereafter transcribed into typewriting, and that the foregoing transcript constitutes a full, true and correct report of said deposition and of the proceedings that took place;

IN WITNESS WHEREOF, I have hereunder subscribed my hand this 3rd day of February 2014.

Roundtree?

MRS. ROUNDTREE: At this time I do not know, Your Honor.

THE COURT: Officer, you will be excused for the moment but don't return to the courtroom unless called.

MR. HANTMAN: Call Mr. Mitchell.

Thereupon --

MR. WILLIAM L. MITCHELL

was called as a witness by and on behalf of the Government and, having been first duly sworn, was examined and testified as follows:

DIRECT EXAMINATION

BY MR. HANTMAN:

Q All right, sir, I will ask you to speak up in a loud voice so that His Honor, the ladies and gentlemen of the jury, the defendant and his counsel can hear you. Give us your full name and your address.

A William L. Mitchell, 1500 Arlington Boulevard in Arlington.

Q Directing your attention, Mr. Mitchell, to October 12th, 1964, do you recall where you were on that date at about 12:20 in the afternoon?

A Yes, sir. I was exercising on the towpath.

Q Do you generally work out on the towpath?

William L. Mitchell Trial Testimony
July 26, 1965

654

A Yes, sir.

Q What was the weather like that day, do you remember?

A It was clear.

Q Now about 12:20 that day do you recall where on the C and O Canal Towpath you were?

A Yes, sir. I was running Eastward toward Key Bridge just before a wooden foot bridge.✓

Q Do you think you can come down off the witness stand and walk over to this map [indicating a map on the wall] and point to us just about where you were at about 12:20?

A Yes, sir.

Q Would you do that for us, please.

[The witness walked over to the map along the wall.]

A Right here [indicating on the map with a pointer].

Q Where is the foot bridge that you are pointing to?

A Right here [indicating with a pointer on the map.].

Q All right, sir. And you were about at what spot?

A Just about on this side [indicating on the map with a pointer].

Q Would you put this [indicating a tag] at the spot on the map --

MRS. ROUNDTREE: Would you kindly let the witness put it up?

William L. Mitchell Trial Testimony
July 26, 1965

655

BY MR. HANTMAN:

Q Do you want to put this [indicating a tag] at the spot where you were, please?

A Yes.

[The witness pinned the tag on the map.]

MR. HANTMAN: You may resume the witness stand, Mr. Mitchell.

[The witness returned to the witness stand.]

BY MR. HANTMAN:

Q Now which direction were you moving in, sir, as you approached this foot bridge?

A I was running East.

Q In other words, towards Key Bridge, is that it?

A Correct.

Q Did you see anyone in the vicinity as you approached this foot bridge?

A Yes, sir. I saw a female crossing the bridge headed West as I approached.✓

Q Do you recall how she looked and what her approximate age was?

A I believe she was middle aged and she was dressed in what appeared to me to be a blue ski parka and slacks.✓

Q I would like to show you two items of clothing marked Government's Exhibit 1 for Identification and Government's

William L. Mitchell Trial Testimony
July 26, 1965

656

Exhibit 4 for Identification. I ask you to look at these items and tell me if you recognize them?

A Yes, sir. These are similar to the garments I saw on the woman as I approached the bridge.

Q All right, sir. What was this woman who was wearing garments similar to those when you first observed her going?

A She was walking West on the bridge. ✓

Q In other words, towards Fletcher's Landing, is that it?

A That is correct.

Q Was there anyone else with her at the time?

A No, she was alone.

Q Do you recall whether she was carrying a purse at that time?

A No, she was not. ✓

Q Did you later learn who this woman was?

A Yes, I read it in the newspapers the day afterwards. ✓

Q Did you let her pass at the time you first observed her?

A Yes. I had to stop running and come to a complete stop and let her cross over the bridge. ✓

Q And what did you then do after she passed you?

A After she passed I continued to run East across the bridge. ✓

William L. Mitchell Trial Testimony
July 26, 1965

657

Q Did there come a time when you observed another individual on the towpath?

A Yes. I estimated about 200-yards from the bridge after I passed this woman I passed a Negro male about my height, about 5-feet, 8 and about 145-pounds, I estimate, X walking West in the same direction as the woman. ✓

Q Do you recall how he was dressed at the time?

A Yes. He had a dark -- what I call -- golfing cap -- very little peak, very little brim -- and he had a light windbreaker and dark slacks. ✓

Q I show you three articles of clothing which have been received in evidence, exhibit 14 being a dark plaid cap, a light corduroy jacket, which is Government's Exhibit 15 in evidence, and a pair of blue corduroy trousers, which is Government's 16 in evidence. I will ask you if you have ever seen those garments before?

A Yes. These are clothes similar to the clothes worn by the individual I saw. ✓

Q On the towpath at that time?

A Yes, sir.

Q Now, sir, would you be able to recognize this man again if you saw him? ✓

A No, ✓ sir.

Q Was this man whom you saw on the towpath at that time

William L. Mitchell Trial Testimony
July 26, 1965

658

carrying anything, do you recall?

A No, I believe he had his hands in the pockets of his jacket when I passed him. ✓

Q Specifically, did you see any fishing rod at that point?

A No, no fishing rod. ✓

Q What did you do after you saw this unidentified individual come past you?

A I continued to run past him. ✓

Q Now did you see anyone else in your run out on the towpath or back in again, sir?

A Yes.

Q When and where did you see anyone else?

A I passed a couple walking together twice. I passed an individual also running on the towpath twice. ✓

Q All right, let's reflect for a moment on the couple you speak of. When and where did you first see them?

A On the road leading down to the canal near Key Bridge. ✓

Q Was this before you got on the towpath? ✓

A That is correct.

Q All right. And when was the next occasion when you saw this couple?

A Approximately half way between Key Bridge and Fletcher's. ✓

William L. Mitchell Trial Testimony
July 26, 1965

659

And this time I was running back from Fletcher's and they were walking west at the time. ✓

Q Was this before or after you saw the lady who wore clothes similar to those items [indicating]?

A Before. Both times was before.

Q Before you saw the lady? ✓

A Yes.

Q Now you mentioned another individual, did you?

A Yes, a young student I would estimate about twenty also running on the towpath. I passed him both times, I would say, close to Fletcher's.

Q Close to Fletcher's Boathouse?

A Yes.

Q How was he dressed, do you remember?

A I remember he was wearing bermuda shorts. That is all I remember.

Q And with respect to this gentleman, did you see him before or after you first observed this lady wearing clothing as has been shown to you here today?

A Both times I passed him was prior to seeing the woman. ✓

MR. HANTMAN: Those are all the questions I have of Mr. Mitchell, if Your Honor please.

CROSS EXAMINATION

William L. Mitchell Trial Testimony
July 26, 1965

660

BY MRS. ROUNDTREE:

Q In which direction were you running?

A At what time, ma'am?

Q When you saw the woman.

A I was running East.

Q Tell us, was there anything else unusual about her appearance?

A No, ma'am.

Q All you remember is just the hood and blue clothing?

A Well she had no hood on. She had on what appeared to be a collar, a ski parka. ✓

Q It was over her head? |

A No, ma'am.

Q It was not over her head?

A It was not over her head. No, ma'am. ✓

Q Did she have on glasses?

A I don't remember that.

Q You stopped, so you came very close to her, didn't you?

A I will say she passed within 3 or 4-feet of me. ✓

Q Would it be longer or shorter than from me to you, sir?

A Shorter.

Q So you got a good look at this lady?

William L. Mitchell Trial Testimony
July 26, 1965

661

A I was looking right at her.

Q Did she have on gloves?

A I don't remember that either.

Q What did you have on that day?

A I had on a sweat suit, I believe, at the time and track shoes.

Q What color?

A The sweat shirt, I believe, was red, the sweat pants were blue and the track shoes were red and white.

Q I take it that you had a stop watch with you?

A No, ma'am.

Q Did you have any watch with which you were taking due note of the time?

A No.

Q Now at 12:20 you passed the lady. And at what time did you see the Negro male 200-feet from her?

A I would estimate the distance as 200-yards *✓ 600 feet*

Q It was 200-yards?

A Yes.

Q All right. What time was that?

A I don't know.

Q You don't know that?

A No, ma'am. May I say this and point this out: The reason --

William L. Mitchell Trial Testimony
July 26, 1965

662

Q No, I want you just to answer my questions.

A I submit, Your Honor, the witness has a right to explain his answer.

THE COURT: He was volunteering. Let counsel ask the questions.

BY MRS. ROUNDTREE:

Q At what time did you see the young man and the young woman?

A I said I passed them twice, ma'am.

Q What time was it the first time?

A I don't know. I would have to calculate again. I have two times when I can approximate from a point of reference.

Q Can you tell me what time it was when you passed them the second time?

A No. It would have to be prior to 12:20.

Q Prior to 12:20?

A That is right.

Q Then you would have been in the area at 12:25, would you not?

A I would estimate that I was on Key Bridge or just about at my car at the time.✓

Q At 12:25?

A Yes.

Q Did you hear a gunshot?✓

William L. Mitchell Trial Testimony
July 26, 1965

663

A No, ma'am.

Q Did you hear a scream?

A No, ma'am.

Q At that time, when you were at your car, how close would you estimate you were to the point where you had seen the lady walking?

A My car at the time was parked in the parking lot of the Hot Shoppe across Key Bridge on the Virginia side. Whatever that distance is.

Q So at 12:25 you would estimate then that you were already there?

A Either on the bridge or almost at the car.✓

Q You don't know which?

A No.

Q Of course, you can't say that these [indicating] are the clothing that the lady wore, can you?

A No, I can't.

Q And, of course, you can't say that these [indicating] are the clothing that the man wore, can you? X

A No, ma'am. X

Q Now how close did you pass to the man?

A About 2 or 3-feet. He ran right by my left shoulder.

Q Oh, he was running?

A No, I meant I ran by his left shoulder. He was walking✓

William L. Mitchell Trial Testimony
July 26, 1965

664

Q He was walking?

A Yes.

Q Did he have on dark glasses?

A I don't know.

Q Was there anything to distinguish this man's facial features that you remember today?

A No.

Q You would estimate he was 5-feet, 8-inches tall, is that correct?

A With reference to myself.

Q With reference to you. How tall are you?

A I am 5-feet, 8-inches. X✓

Q Now did you see any police officers as you went to your car down in the area of Key Bridge?

A No, ma'am.

Q Did you see anyone as you went in that area other than the persons you have testified about already?

A No, ma'am.

MRS. ROUNDTREE: If the Court will indulge me.

[Mrs. Roundtree conferred briefly with co-counsel.]

BY MRS. ROUNDTREE:

Q Were you carrying a watch?

A No, ma'am, I was not.

Q Now you were running as you passed the man?

William L. Mitchell Trial Testimony
July 26, 1965

665

A Yes.

Q Did you continue at your usual pace?

A Yes.

Q You didn't stop then to let him by?

A No, I passed him after I had already gone across the bridge and I did not stop.

Q At that time did you see the woman?

A No.

Q Did you ever see this woman again?

A No, ma'am.

MRS. ROUNDTREE: That is all.

REDIRECT EXAMINATION

BY MR. HANTMAN:

Q Mr. Mitchell, you mentioned two points of reference with respect to time on which you are able to calculate, sir. What two points were these?

A Well, the reason I can reckon I passed her at approximately 12:20 is that I normally follow the same routine when I work out. That is, I drive from the Pentagon Athletic Center Office and park my car by the Kot Shoppe and go down to the canal and run down to Fletcher's and come back. I returned to the Pentagon and there is a clock in the barber shop of the basement athletic center and I notice it was about quarter of ^{five} when I returned. So I can reckon it was about 12:20

William L. Mitchell Trial Testimony
July 26, 1965

666

when I passed this woman. ✓

Q Now with the points of reference with respect to time that you indicate, can you tell us about when it was when you saw this couple on the towpath, approximately?

A It would be about one-hour earlier, about quarter of 12:00 the first time.

Q And when was it that you saw this other gentleman working out?

A I would say about 5 or 10-minutes after 12:00.

Q And that was near Fletcher's Boathouse?

A That is right.

Q This was before you saw Mrs. Meyer?

A Yes.

MR. HANTMAN: I have no further question.

RECROSS EXAMINATION

BY MRS. ROUNDTREE:

Q Of course, sir, when you went into police headquarters you had read the items in the newspapers? ✓

A That is right.

MRS. ROUNDTREE: Thank you, sir.

MR. HANTMAN: I have no further questions, Your Honor.

THE COURT: You may step down.

Teacher Says He Passed by Mrs. Meyer

By ROBERTA HORNIG
Staff Writer

A Georgetown University mathematics teacher said yesterday he saw Mrs. Mary Finckel Meyer just minutes before her death on the Chesapeake & Ohio Canal towpath last fall.

William L. Mitchell, of 1500 Arlington Blvd., Arlington, testified on the fifth day of the first-degree murder trial of Ray Crump Jr. in U.S. District Court.

The body of Mrs. Meyer, a 47-year-old divorcee, was found on the towpath near Key Bridge last Oct. 12 with a bullet wound in her head and another in her back. The government believes she was shot about 12:25 p.m.

Passed Two Persons

Mitchell, who was then an Army lieutenant, said he was exercising on the canal towpath when he saw the woman, middle-aged, in a blue ski parka and slacks. He put the time at 12:20 a.m.

Mitchell said he was running eastward when he saw Mrs. Meyer walking west toward Rochester Brothers. The two met at a narrow bridge crossing the canal.

"I had to stop running and come to a complete stop to let her cross the bridge," Mitchell testified. "After she crossed, I started up again," he said.

About 200 yards further up the path, Mitchell continued his testimony, he saw a Negro male "about my size . . . about 5 feet 8 and about 145 pounds." The man, he said, was wearing a golfer's cap, a light windbreaker and dark slacks. He had his hands in his pockets.

Mitchell, under questioning of Asst. U.S. Atty. Alfred Huntman, identified clothing belonging to Crump in trial evidence as being "similar" to that worn by the man he saw on the towpath.

Detectives Testify

But, he said, he would not recognize the man if he saw him again.

In other testimony before Judge Howard F. Corcoran yesterday, Homicide Detective Bernard D. Crook said he arrested Crump after he heard a police lookout for a Negro male, 5 feet 8 inches and wearing a dark hat and light jacket.

Crook said Crump's clothing was wet, that there were grass, twigs and dirt on the front of his shirt, his left trousers pocket was ripped and there was a coin on his right hand, but that his hair was dry.
